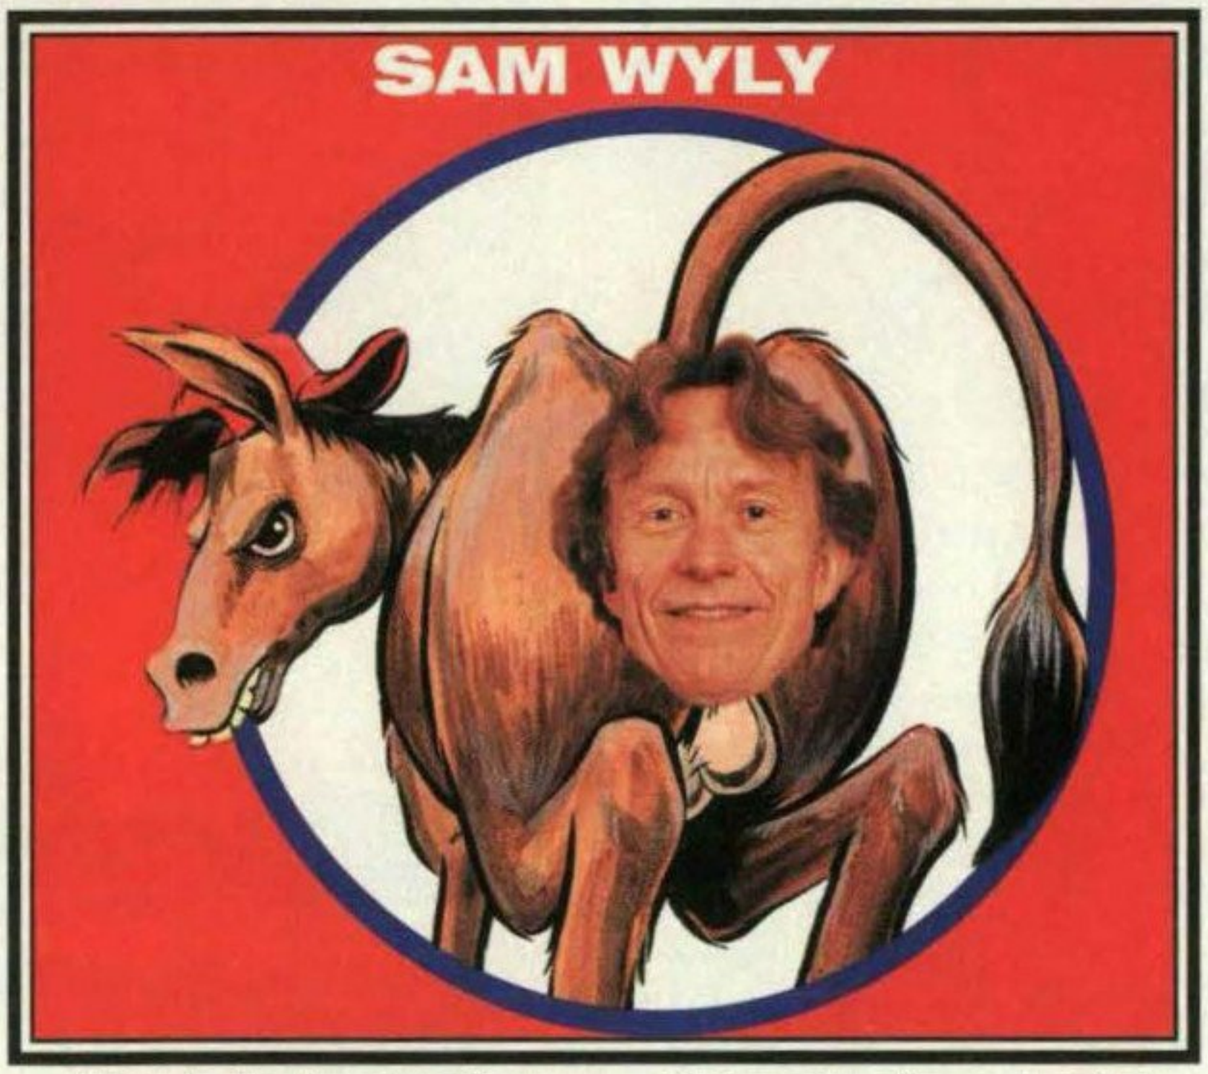
BITS and PIECES

ASSHOLE OF THE MONTH



Wily (adj): 1: full of wiles; 2: crafty. Wyly (n): 1: full-of-shit opportunist; 2: crafty saboteur of the democratic process; 3: HUSTLER's Asshole of the Month for August 2000.

You may have heard of Sam Wyly despite his best recent efforts to remain anonymous. The 65-year-old Dallas, Texas, billionaire leaked into the national olfactory system as the hidden force behind a fake antipollution ad campaign that made a Love Canal of the 2000 primary elections.

"I'm a monomaniac with one goal," ranted Wyly in a recent *New York Times* profile. "Clean air from clean energy." Clean air as a goal seems to be a distant second to dirty campaigns and sleazy money.

On March 1, 2000, Super Tuesday voters in New York, California and Ohio were besieged by a television ad that would have been laughable if it wasn't so misleading.

Over a tableau of filth-belching smokestacks, a picture of then-Presidential candidate John McCain appears, his facial expression suggesting that he'd just been caught sodomizing a nun.

McCain's image is contrasted with a shot of George W. Bush, framed by an oxygen-rich halo, accompanied by a voice-over assertion that Bush is "leading so each day dawns brighter."

The ad was sponsored by a group known as Republicans for Clean Air, a hitherto nonexistent organization. Under the threat of an FCC investigation, Sam Wyly crawled out from under the shadow of the phantom organization to take responsibility for the $2.5 million spot.

"I thought I had a clever idea to get America to focus on the clean-air issue," Wyly claimed.

What Wyly calls "clever" might better be referred to as an abuse of the First Amendment, one cunt hair shy of actionable slander.

McCain's environmental record twinkles pristinely when contrasted with the haze over Houston. Under Governor Bush, Texas "boasts...a dismal record of enforcing basic environmental and public health protections," noted the Environmental Working Group. By Wyly's own account, given during a speech at Montreax's Clean Energy Conference at Apsen, Bush's Texas is plagued by "a brown haze" that's "slowly been creeping across the Dallas sky."

Perhaps the "brown haze" in Dallas is actually attributable to the shitty murk that surrounds the motives of Wyly's dubious attempt to raise eco-consciousness.

Sam and his brother Charles have donated more than $200,000 to Dubya's gubernatorial campaigns; Charlie is among Bush's "Pioneers," a group made up of those who have raised at least $100,000 for his White House bid. This legacy of generosity and the pro-Bush slant of Wyly's "issue ad" are as coincidental as stink on a turd, rendering Wyly's pretense of nonaffiliation as effective as a fishnet condom.

Despite trying to pass himself off as a clean-air fanatic, Wyly has also donated to Texas Senators Phil Gramm and Kay Bailey Hutchinson, whose environmental voting records hover around 0%, and House Majority Leader Dick Armey, whose stated goal is to put "a snaffle bit" on the Environmental Protection Agency.

Wyly's fishy gift-giving stinks worst when he gives to himself. Wyly has owned everything from steak houses to art-supply chains, with widely varying returns for his investors. Moneybags Sam, however, always receives a generous paycheck, awarded by compensation committees that mainly consist of himself, brother Charles and Sam's son Evan. Reeking windfalls of suspicious lucre have resulted in three lawsuits from enraged stockholders.

"Same as anybody else, I take care of myself," winks Wyly.

He also takes care of those who stand to take care of him. In 1998, the University of Texas, whose financial management had been privatized by Bush, funneled $96 million of assets into the Wyly-run investment company Maverick Capital Fund.

As chairman of GreenMountain.com, a company that purports to provide eco-friendly energy in states where the utility industry has been deregulated, Wyly stands to obscenely benefit if Bush is elected—not that Sam's $2.5 million stealth-campaigning was an attempt to curry favor.

"I doubt that I'd have any access that I wouldn't have had anyway," Wyly smirks.

Pretty forthright for a sneaky fuck such as Wyly; then again, every Asshole opens up on occasion.

FARTS IN THE WIND

Lisa Marie Smith: A 31-year-old second-grade teacher, Smith allowed her sons, three and five, to open their Christmas presents on December 26, 1999, then put a damper on the holiday cheer by strangling the boys to death. Smith, who pleaded guilty to the familial double homicide in Dallas in late March, told police she killed the boys because she lost custody of them to her husband and "I wanted him to know my pain and how it felt to have his babies taken away from him." And HUSTLER would like Smith to know that she is an Asshole of horrifying proportions.

Lazaro Gonzalez: First, the great-uncle of Cuba's most famous six-year-old refugee deluded himself into thinking he was a better guardian for Elian than the child's father. Recently, twice-convicted drunk driver Lazaro told reporters that the Virgin Mary had appeared to him in a mirror. Look closer, Lazaro—that's just an Asshole's reflection staring back at you.

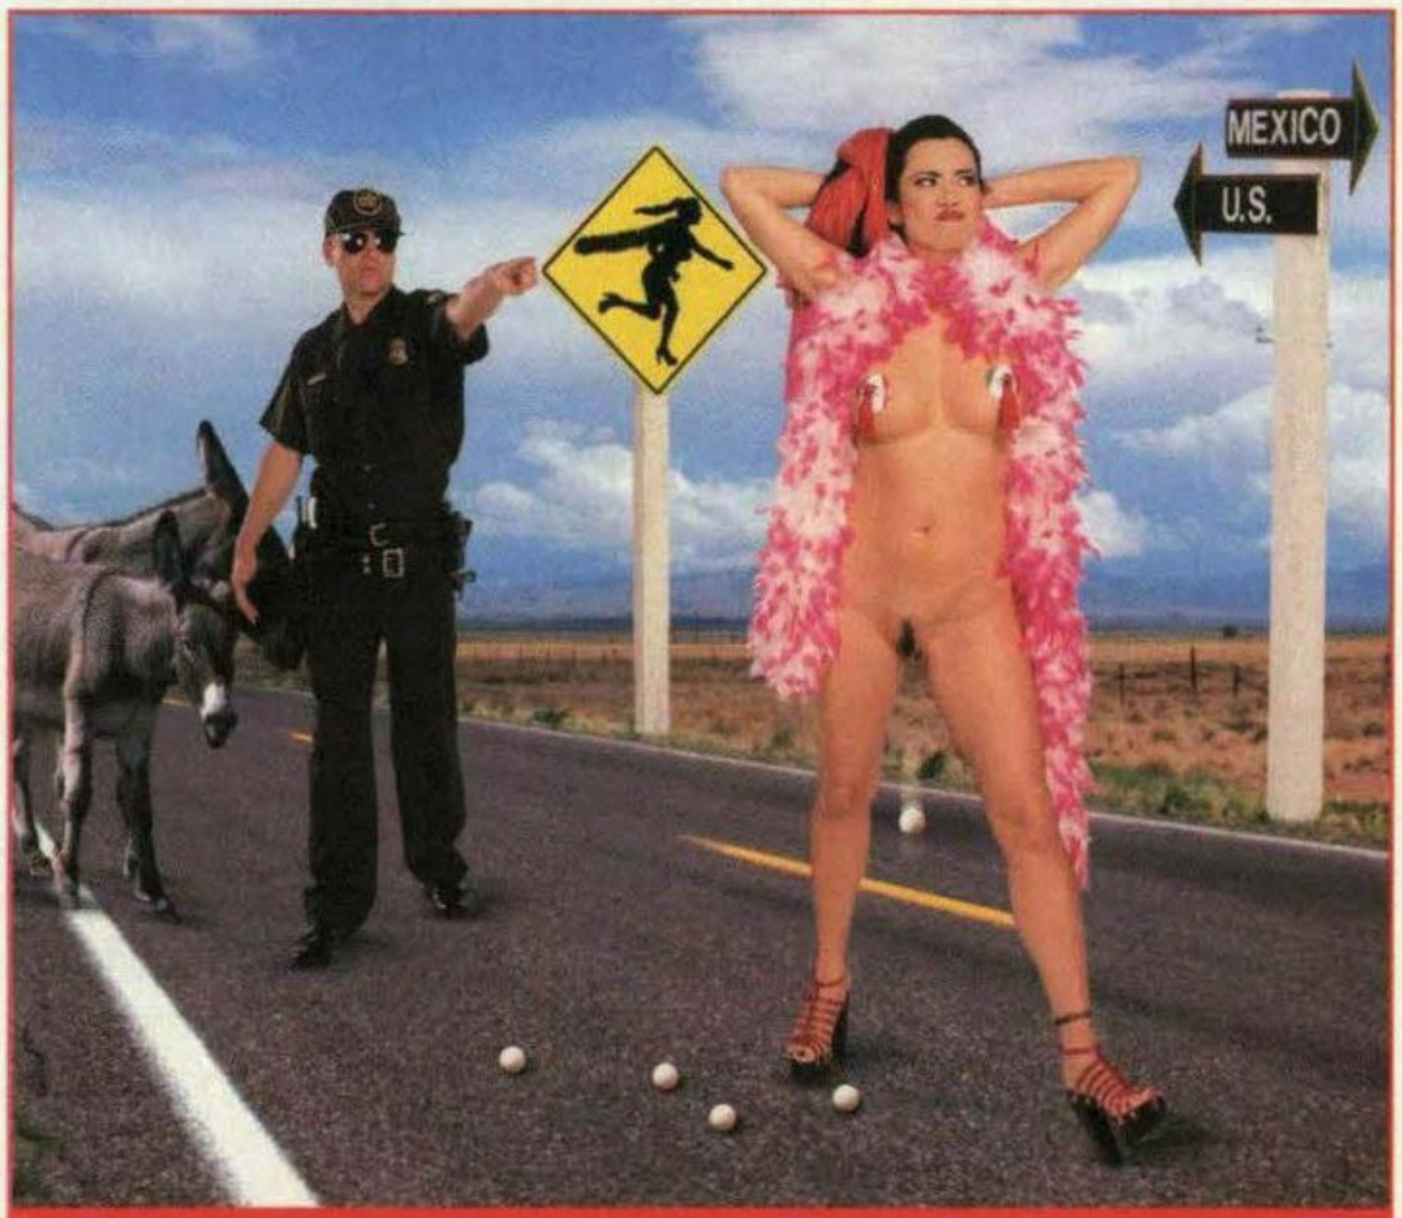
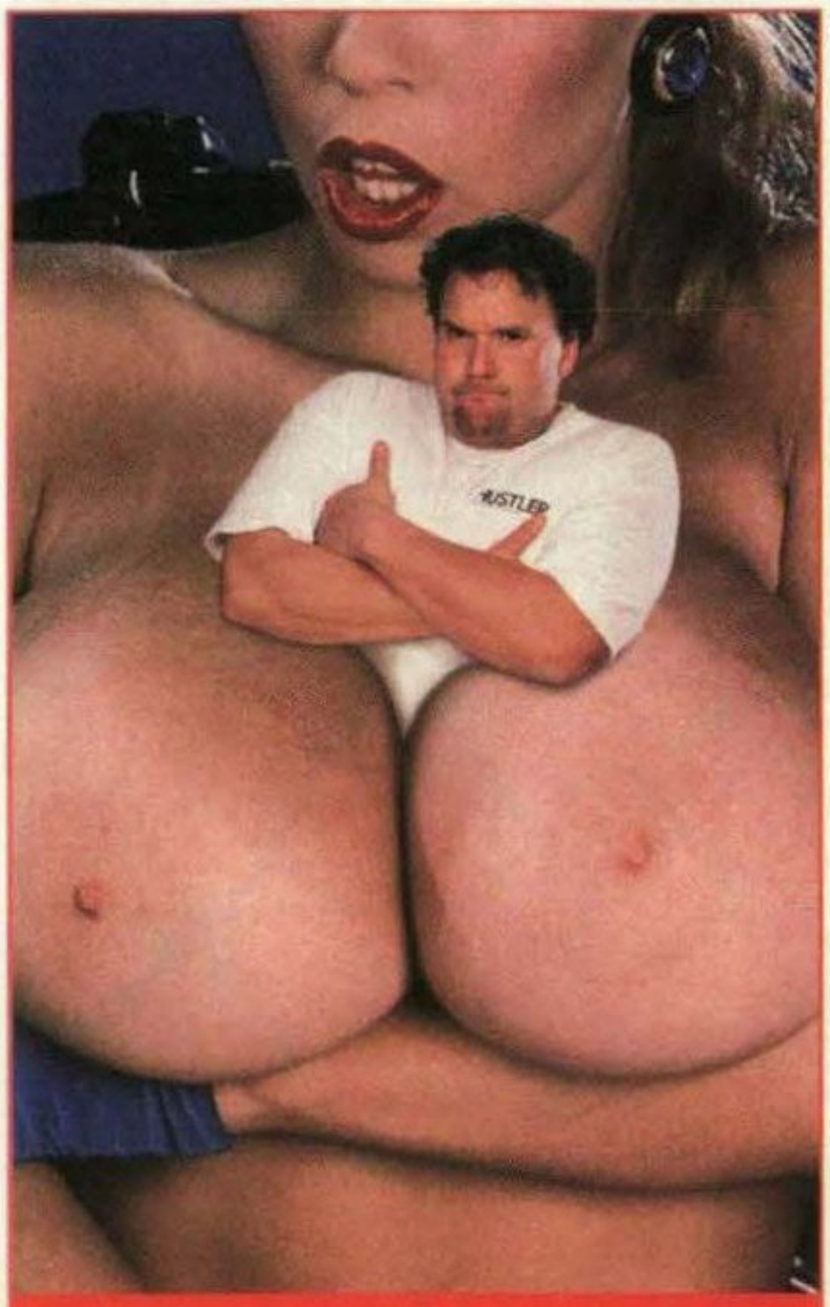
Giving Headlines

HUSTLER Exposes the Media's Biases

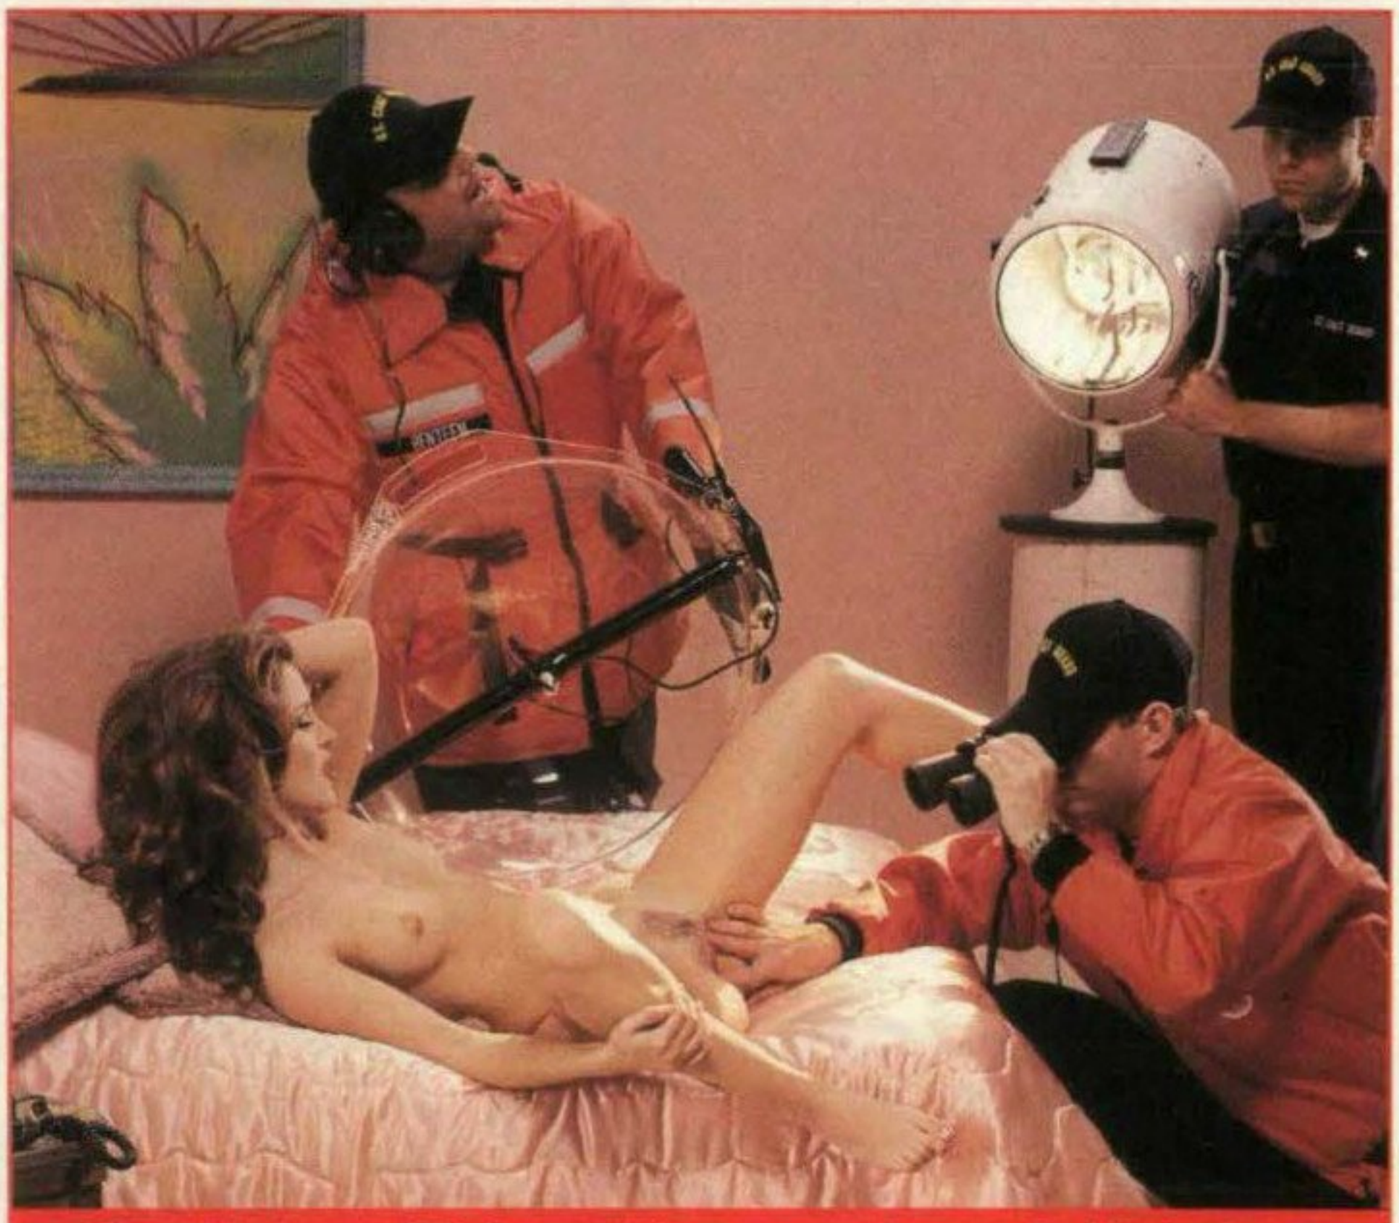
The world doesn't stop while one so-called big story dominates the national news, but don't tell the mainstream media that. Every time an airliner crashes or a President enjoys a humjob, you won't hear about much else until every droplet of exploitability is sucked from the situation. HUSTLER's team of crack reporters, however, works overtime to uncover the stories that lurk beneath the front page's shadows.



When a cute-as-a-button six-year-old faced deportation to Cuba, reporters swarmed over the fracas like flies on feces. But when a talented, productive Mexican stripper is sent home without her ping-pong balls or her donkey, the news agencies provide no coverage.



An environmentalist chick lived in a tree for two years to protest the logging of redwoods, and the media raised a furor. But let a man set up housekeeping in his wife's cleavage for two years to protest her planned breast-reduction surgery, and there's nary a titter from the press.



A Kennedy's plane was lost at sea, and the rescue search monopolized the front page for weeks. Simultaneously, a fuckable girl's clitoris fails to turn up, and the Coast Guard's frantic efforts to find it go unreported.

PARODY. IF ANY OF THE DEPICTED SITUATIONS ARE TRUE, THEY NEVER MADE THE PAPERS.

Prison Art's Second Strike

Many prisons restrict an inmate's access to pornography, as if the alternative—anal rape by a lifer—doesn't count as cruel and unusual punishment. Stroke material is so scarce that, by the time incarcerated HUSTLER readers grab hold of an issue, five or six guards have jizzed on the tranny ads, and the contest deadlines have passed. HUSTLER's Prison Art Contest (September 1999) drew entries from pokeys, hoosegows and correctional facilities across the land.

The following piece from M. C. Ivie, of Arizona State Prison in Winslow, arrived days after the artist heard about the contest—in March of this year. The arresting image and its striking detail stirred us to turn HUSTLER's Prison Art Contest into an open-ended, semi-regular competition.

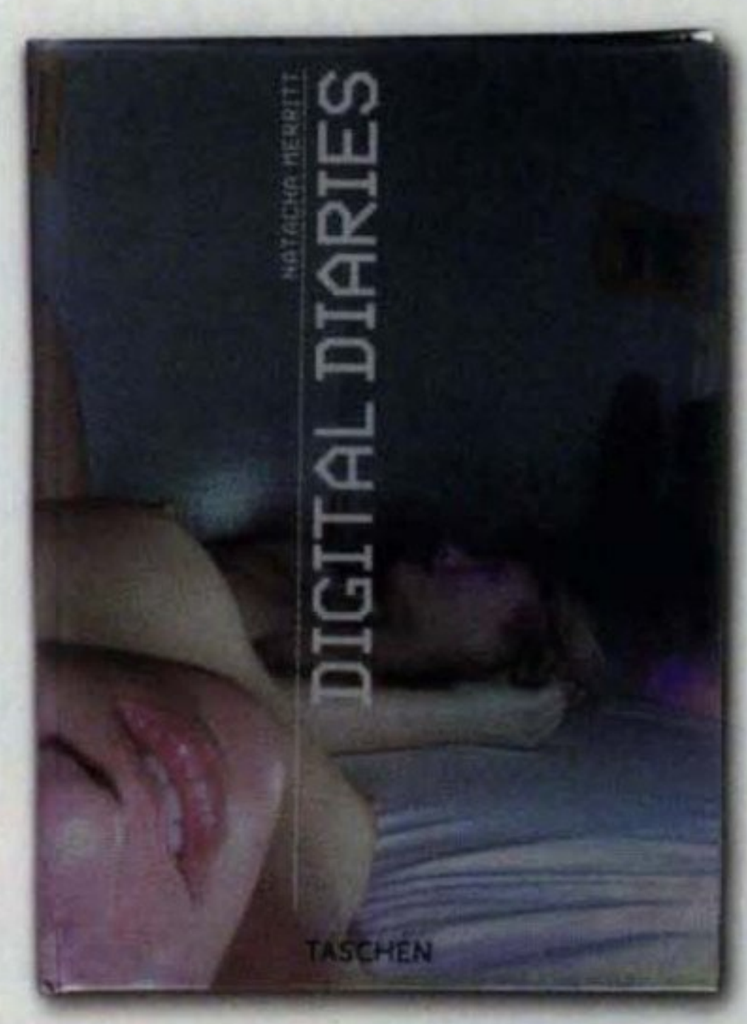
Natacha Merritt's First-Person Erotic Photography



In *Natacha Merritt: Digital Diaries* (Taschen, 2000, $29.99), the budding 22-year-old visual artist chronicles her sexual experimentation with a handheld digital camera. Where traditional flesh photographers fuss over the way light falls across a model's skin, Merritt's technique is more personal and intuitive: The tender shutterbug holds her camera at arm's length and fucks her boyfriend (or her girlfriend or her left hand). Natacha's arousal drips from every page, visually asserting the photographer's claim that "My photos and my sexual needs are one and the same."

Digital Diaries is widely distributed. For more information, check your local bookstore, or visit www.digital-diaries.com.

Popped Divas at HUSTLER Hollywood

HUSTLER HOLLYWOOD, the Saks Fifth Avenue of erotic boutiques, regularly hosts events that answer a porn fan's prayers. Every month, wise men follow porn stars to Sunset Boulevard to witness book signings, fetish-fashion shows and induction ceremonies into the store's Porn Walk of Fame. The latest crowd-pleasing soirees included a party with the girls of the BARELY LEGAL video series and a special St. Patrick's Day signing by porndom's slickest Mick, Kylie Ireland. To find out which tarts pop up next, stop by HUSTLER HOLLYWOOD, 8920 Sunset Boulevard, Los Angeles, California, or visit HUSTLER's Web site at www.hustler.com. And when you're in Cincinnati, be sure to visit the Queen City's crown jewel—the new, bigger-than-ever HUSTLER store, at 411 Elm Street, in the heart of Cinci's downtown retail district.

Aria Encore

Aria (*Aria: Second to None*, June 2000) is the hands-down winner of the *Beaver Hunt* contest; so tell the rest to pack their bags and limp home to momma. Sultry Aria has such a unique face, she could be a supermodel, and her tits are all natural and huge! What I wouldn't give to titty-fuck the brunet angel and frost her devilish smile! I don't care if I sound selfish; Aria must win so that I can snatch another glimpse of her hot and spicy poon. Make it happen, HUSTLER. I know you'll do the right thing and not disappoint an adoring Aria fan.

—D. T.
Salinas, California

It's up to you to "make it happen," D. T.—the Beaver Hunt Grand Prize Winner is democratically determined by reader votes. Make your voice heard and cast your ballot for Aria when the voting form appears in the Holiday 2000 issue.

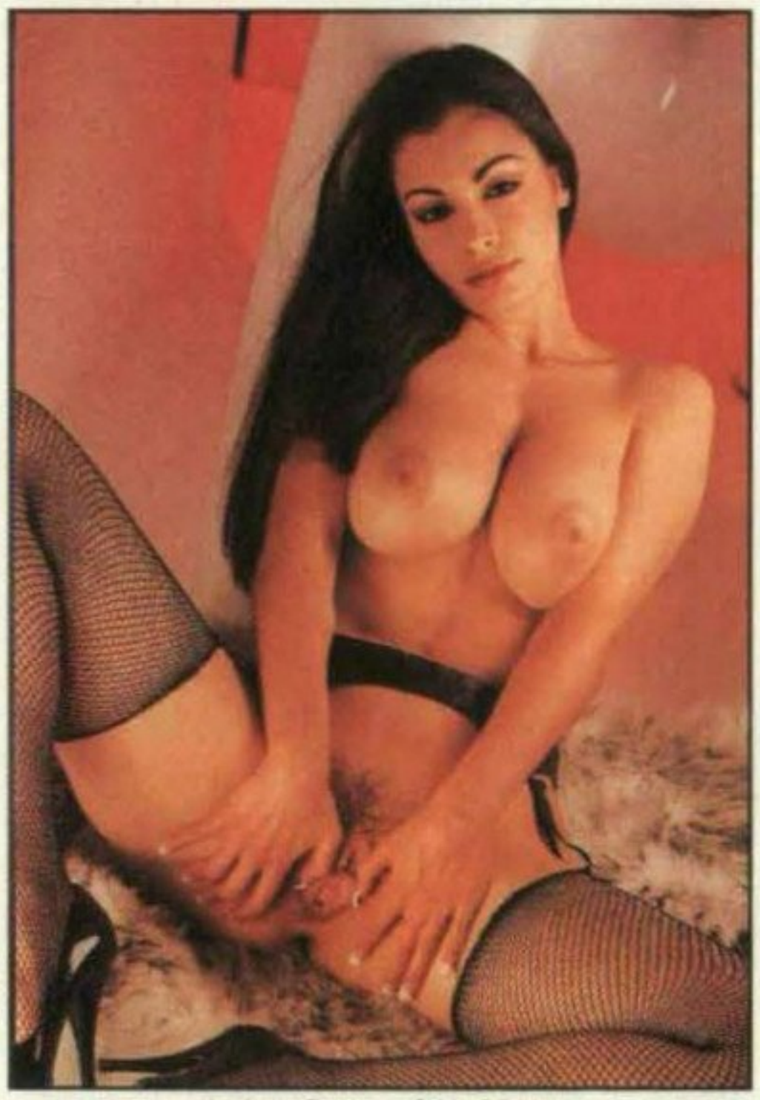
Beach Head

HUSTLER's boy/girl couples pictorials are simply the best, but Tara and Mark (*Tara and Mark: Lewd Beach*, June 2000) is by far the best yet. Tara is the most exotic beauty to ever grace the pages of HUSTLER, and, boy, what a voluptuous body: big, natural tits, an hourglass figure with shapely hips—Tara's more woman than can be contained in a single human body! Tara's boyfriend, Mark, is one lucky dude. When Tara sucks his cock on the beach, tea-bagging his balls and coaxing cum to spray across her perfect face, a load nearly erupted in my shorts without me even touching my wood! Where can I see more of Tara? Has she done any X-rated movies? Is she married? —M. L.
Atlanta, Georgia

Tara Patrick is single and is a current darling of XXX moviedom, starring in features for Adam & Eve (Caribbean Undercover), Anabolic (Nice Rack #4) and Legend—a company that favors calling Tara by the name Sadie Jordan (see the review of Gallery of Sin in the June 2000 Erotic Entertainment). Tara has also been featured as a HUSTLER cover girl and centerfold (Tara on the High Seas, February 2000). She also appears in HUSTLER XXX, Number 4. Mark Davis is a porn veteran who is indeed a lucky man for having fed Tara his spode.

Midget Pussy

In the May 2000 HUSTLER subscription ad, you feature a beautiful, naked, female midget stuffed inside a mailbox with the slogan, "Let HUSTLER Give You a Little Pussy Every Month," but I have yet to see any midget-pussy pictorials. What gives? Who is this sexy midget? Why tease us without showing what the little lady can do? —B. D.
Buffalo, New York



Aria: Second to None

The midget in question is named Bridgette Powerz, and she is indeed a hot little number. Your letter has given the Editorial staff pause to readjust our shortsighted thinking and consider Bridgette for her own photoshoot in the near future. Until then, content yourself with Bridgette's small but growing body of work for Filmco. Her current XXX titles include Bridget P. I. [sic] and Midget Goes to Hollywood. Enjoy popping massive boners for one sexy little lady.

Dark Meat Cravings

How about a little equal opportunity, HUSTLER? I flip through your book every month, and all the girls I see are white, white, white. I'm married to a lump of honkie flesh and have more than my share of vanilla. Don't you think a white boy like me (who subscribes to your magazine, I might add) deserves a little dark meat on his plate from time to time? —P. F.
Greenwood, Mississippi

The May 2000 HUSTLER featured cinnamon siren Dee (Retea, Dee & Lola: Party Girls) frolicking with her gal pals, wielding

FEEDBACK

a strap-on dildo. The July 2000 issue featured caramel-hued Strawberry (Strawberry and Sasha: The Mounds and the Fury) engaging in interracial lesbianism at its finest. This month's HUSTLER features classic black gash in a hot-chocolate pictorial, Claudia: Soul Fingered. Either you're colorblind or just plain blind.

Craves Colored Dick

I'm a 21-year-old white female fox. I've noticed that lately, it's almost impossible to see X-rated photos in your mag containing a black buck or Oriental stud pounding white female flesh. White-on-white sex is just boring, but the sight of a black man servicing a petite, young, white girl inspires waves of pussy cum in my snatch. HUSTLER may have featured groundbreaking interracial pictorials back in the '70s, but you guys seem to have lost your nerve. How 'bout some black and yellow cock for this horny SWF? —J. B.

Washington, Indiana

Guess you missed our June 1999 pictorial Billy D. and Charlene: Lust Knows No Color, which displayed our continued commitment to giving the brothers some. In addition, both CHIC and HUSTLER'S TABOO will spotlight interracial coupling in upcoming issues. Grab a copy of each, and cram 'em inside your pretty white pussy.

Fur Fan

After finally reading the March 1998 HUSTLER, I was very disappointed by the negative reader reaction to the very beautiful and hirsute female Jill, who appeared in the 1997 Holiday Issue (*Jill: Jungle Bush*). I personally found Jill to be wildly attractive, compelling and desirable—her fur-covered body was icing on the cake. I love the sight, the texture and the taste of an exceedingly hairy woman. It is a sin to declare that Jill is unattractive simply because she is hairy. Beauty comes in every different size, shape and degree of hairiness. I have been a HUSTLER fan for years, and I miss the hairy snatch of the '70s. Is there any chance of my seeing hairy pussies in future issues of HUSTLER? Do you see a change in the current trend of "landing stripe" pubic-hair-trimming patterns? I need all-natural ladies for my organic, hairy cravings. Thanks for the hair, and thanks again for Jungle Jill.

—A. Q.

Detroit, Michigan

Jungle Jill has many fans; very few women are capable of cultivating such body-hair gardens. The trimming of pubic hair into tiny patches is a social phenomenon that probably gained momentum as bikinis evolved into smaller and smaller tidbits of string. It's very rare to encounter models who don't cut back their pubic afros. Did you catch Sophie: Prude Awakening in the June 2000 issue? Redheaded Sophie is an incredibly stroke-worthy, all-natural-bush beauty who also demands your hair worship.

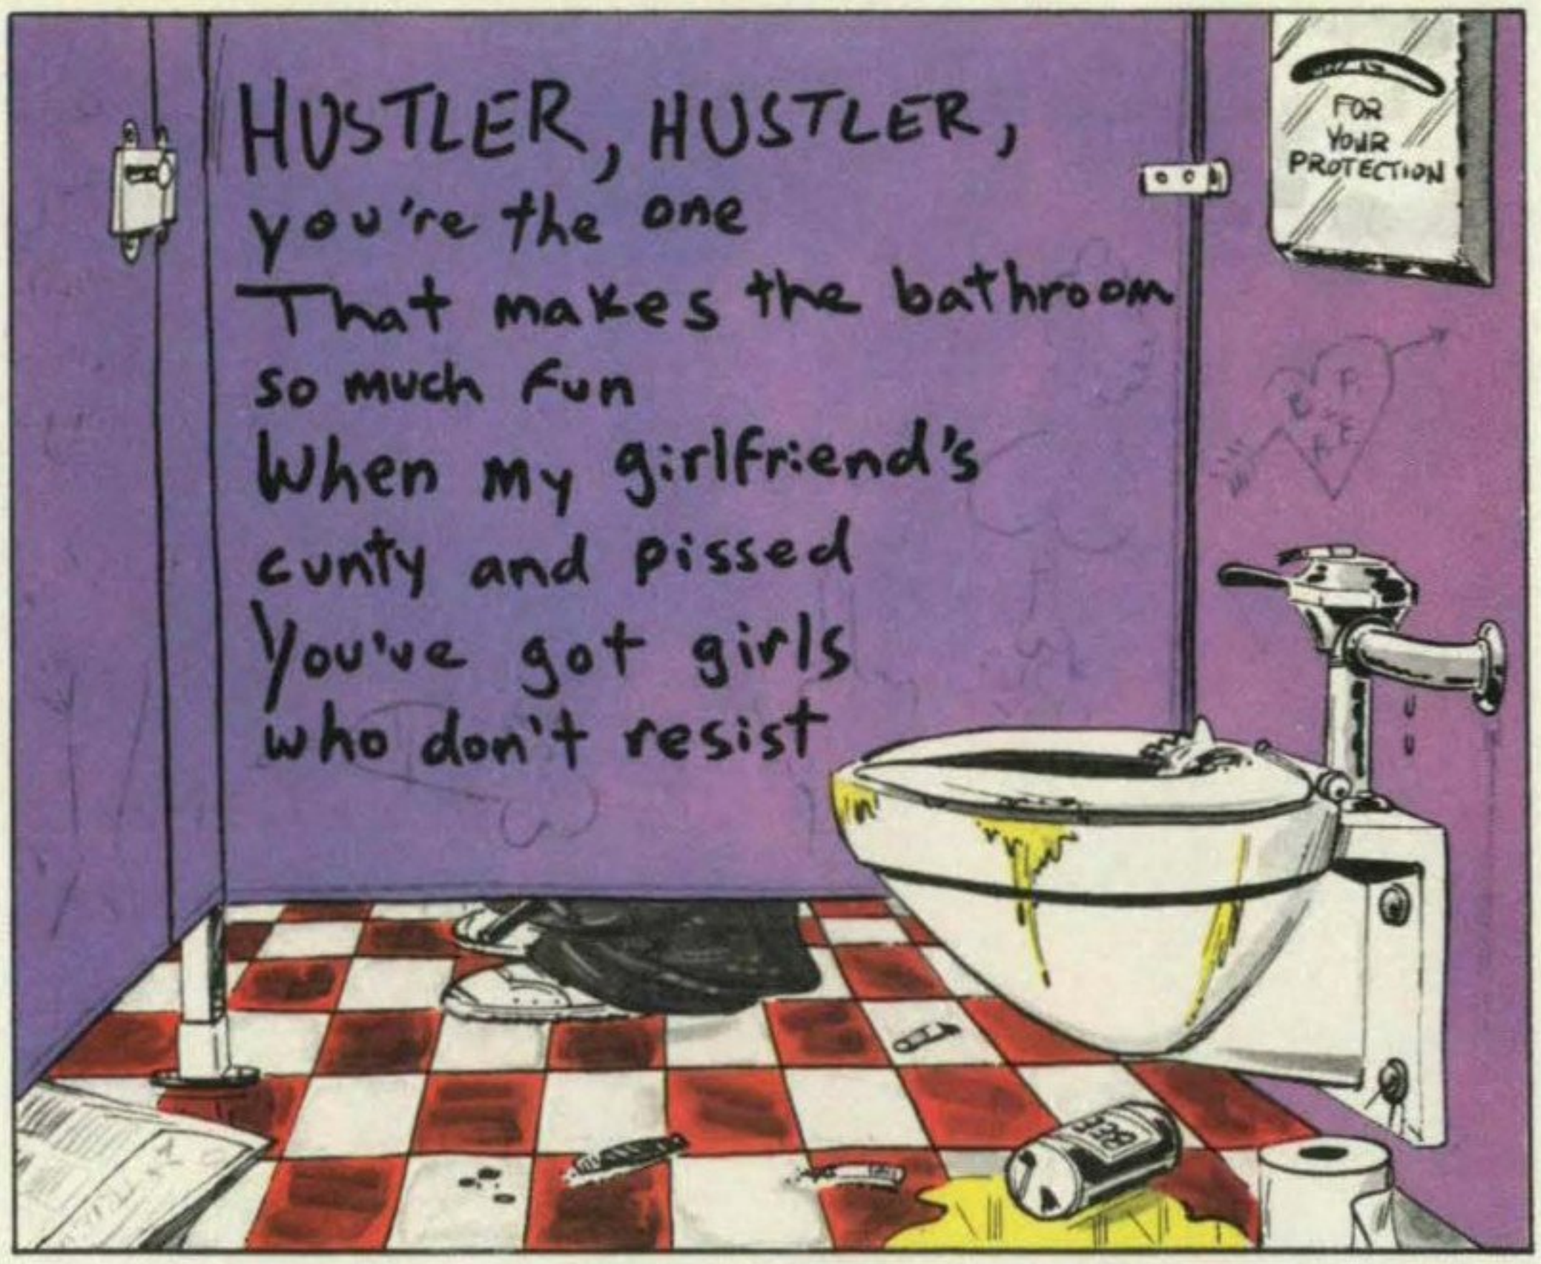
Bluegrass = Blueballs

While I've been lucky enough to obtain issues of HUSTLER Magazine, I've noticed that, living here in Kentucky, I've had difficulty ordering X-rated videos through the mail—especially the ones that HUSTLER deems Fully Erect in your *Erotic Entertainment* section. This fucking sucks. What's the deal? —R. M.

Lexington, Kentucky

The Bible thumpers who control the politicians in your community have apparently decided that bluegrass is heavenly, but blue movies are sinful. Try to convince your friends and neighbors that God loves porn. Maybe one day, Fully Erect stroker vids will become required viewing in schools and churches all across the state of Kentucky.

GRAFFILTHY



—Thanks and $50 to Chad M.

I Dream of Chloe

I love to read the reviews in *Erotic Entertainment*. Unfortunately, the only connection to the porn world I have is HUSTLER. The XXX videos that do make it to my armpit of the country tend to be crap that truckers toss in the gutter when they blast through town. I've never even seen a porn tape that made my cock fully erect; barely erect is more like it. In the June 2000 HUSTLER there's a review of a video titled *Chloe's "I Came, Did You?!!"* that sounded amazing! Another article talked about all the porn awards Chloe won ("Five Times Lucky: Chloe Wins Big at AVN Awards in Las Vegas," June 2000). I like the pictures I saw of this sweet and dirty slut, but they're always so small. Do you have any plans to feature a photo-shoot of this amazing, petite anal princess?

—I. H.

Oglala, Nebraska

As a matter of fact, Chloe is featured in a lesbian pictorial (Chloe and Ivy: Clean Little Piggies) in the June 2000 HUSTLER'S LEG WORLD. Always experimenting with some new kink, the

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

EASY SEX

I'm a 22-year-old male college student, still a virgin, and I'm desperate to lose it. Since you know a lot about sex in America, where is the best place to find "easy" sex? You're probably going to say that college is the best place, but that's not true for me. A couple of months ago, there was an article in HUSTLER on sexual surrogates—women who have sex with men to help loosen them up ("The Art of Losing It: When Virginity Just Won't Go Away," January 2000 *Sex Play*). Do you know where I can find these sexual surrogates? Please, Jeanna, just point me in the direction of pussy, and I'll be happy. I figure if anyone knows how to help me, it's you. —C. O.

Philadelphia, Pennsylvania

Stop putting so much fucking pressure on yourself. You don't need a sexual surrogate; you need a crash course in socialization. Be friendly, put on your best smiling face, and introduce yourself to girls who share your interests. Go slow and enjoy conversations over coffee; in other words, take time to smell the roses before you bury your nose in your lover's crotch. The effort will be worth it, because there's nothing more fantastic than the experience of sexual tension that develops between two people over time.

FRILLY MAN

An old girlfriend of mine turned me on to wearing panties, garter belts, stockings and high heels. Now I wear women's undergarments underneath my work clothes all the time. I understand that private cross-dressing is common, but I have no idea where I can meet women who'd want to share their underclothes with me. Does your husband wear your lingerie? He's a lucky man if he does. I bet your bras smell good! —P. P.

Reno, Nevada

While my husband has tried on some of my most intimate undergarments, he is so ridiculously well-hung that the sight of his lanky form sashaying around the house in frills and lace is nothing short of obscene. As for your dilemma, how did you meet the woman who turned you on to cross-dressing? Keep in mind that she didn't invent this fetish. There must be some sort of support group for cross-dressers and the women who love them, though such an organization might not be listed in the phone book. If you have a computer, I'm sure you can log on and find the woman of your dreams. A Web search for the words "men+lingerie" should give you some leads. Keep looking until you find a woman willing to share her panties with you; hopefully, she'll wear the same size.

SLOPPY PUSSY-LICKER

There's nothing better than the sweet taste and smell of a freshly licked pussy. I could eat hair pie till the cows come home, but I'm worried that I'm not doing it right. What's the best way to eat pussy? Is there a book or video that shows a man how to nosh gash, or do I have to learn by trial and error? —R. M.

Lexington, Kentucky

Approach eating pussy as if you were kissing your lover's mouth with long, deep, saliva-rich French kisses. There's nothing more annoying than having a man pounce on the clitoris and vibrate his tongue like an electric eggbeater. The entire cunt demands attention: lips, hole and all. When your partner begins to respond to the rhythm and pressure of your tongue, and she's grinding her crotch in your face, she is sending you a cue to continue what you're doing. When you find the spot that works for her, and your lady is thrusting her hips in your face, do not stop what you are doing. While I tell men that there's nothing worse than pushing your girlfriend's face into your groin while she's sucking your cock (because that's very rude, and there's a danger of

Dear Slut

I've performed in several strap-on scenes. In one, I took a very handsome young man, fucked him in the ass, made him come on an apple and forced him to eat the sperm-tainted fruit.

tearing her throat), I do suggest that women grab the back of their partner's head while he's eating her pussy. Let her steer you in the direction that satisfies her most. Encourage her to give you verbal and physical cues toward what works for her. Don't quit until she shudders, moans, screams and pushes your head away from her sensitive clit. These telltale signs will generally indicate that she's had an orgasm.

LADY LIKES PORN

I'm a vivacious and sexy 22-year-old woman who loves porn movies, but I don't know if my new boyfriend does. What is a no-pressure way to introduce adult flicks into our regular sex routine without him thinking I'm a sex freak? —D. C.
Dearborn, Michigan

I've never met a man who wasn't interested in porn. If you trust this person and honestly believe he cares about you, there should be nothing you can't share with him. You could start by renting erotically charged mainstream movies, such as Last Tango in Paris or 9 1/2 Weeks. After priming him thusly, there are thousands of XXX tapes geared toward couples that you can move on to. Rent a few, pick up some massage oil, candles and a good bottle of wine, and make a night of it. If your man panics and staggers out the door, he's not man enough for you anyway.

FAT FUCK

Why is it that people put plus-size women down? The more cushion, the more pushin', right? I've got a huge sexual appetite, and I know I have what it takes to be the first big, fat female porn star. Are there any magazines or videos that feature big-boned gals? —B. D.
Brewton, Alabama

You're not as persecuted as you imagine yourself to be. Filmco puts out the Life in the Fat Lane series, which features horny heifers such as yourself. Also, HUSTLER is running a feature on chubby chasers in the September 2000 issue. Sexual confidence is the key to attracting a mate, not dress size. However, you are not going to be an XXL XXX star in Alabama. You need to move to Los Angeles. Do your research; send away for catalogs. Write porn companies that specialize in plus-size porkers and send in pictures of your naked, Rubenesque physique. With your enthusiastic, ample love, you might just have exactly what they're looking for. Good luck!

TAKE IT LIKE A WOMAN

After reading in your column that "a man's clit is in his ass," I allowed my wife to poke my butthole with her vibrator so I could experience what she feels. I liked it so much that I've been experimenting with my wife's toys while she's at work. Now I have a couple of problems: First, I can't seem to stretch my sphincters to fit around the huge strap-on dildos that are on the market; second, I can't find any porn vids devoted to guys who take dildos up the ass from women. Have you made any? —B. T.
Mebane, North Carolina

I've performed in several strap-on scenes in which I poked male booty. My favorite is called A Fine Line, distributed by Cal Vista. In the first scene, I portray a school teacher who fantasizes about her sexy students. I take a very handsome young man, fuck him in the ass, make him come on an apple and force him to eat the sperm-tainted fruit. Velvet was an S&M strap-on epic where, within legal parameters, I raped a man. Check with Bizarre Video, a company that distributes many women-dominating-men fetish flicks. There are also bisexual videos where everybody does everyone, and many of these feature strap-on–wielding ladies. The Bi and Beyond series from Catalina is a good place to start. It's true that men achieve harder erections and more intense orgasms when their prostate glands are stimulated, as you yourself have discovered. Butt plugs and dildos come in every shape and size; so perhaps you need to explore other options before shredding your sphincters in search of a higher climax. Just as with anal sex with a woman, a man must be excited to open up his ass for a dildo. Start slowly, and apply lots of lubrication. Have your wife give you a reach-around while she pounds your shit rings. The more turned on you are, the deeper that puppy will sink.

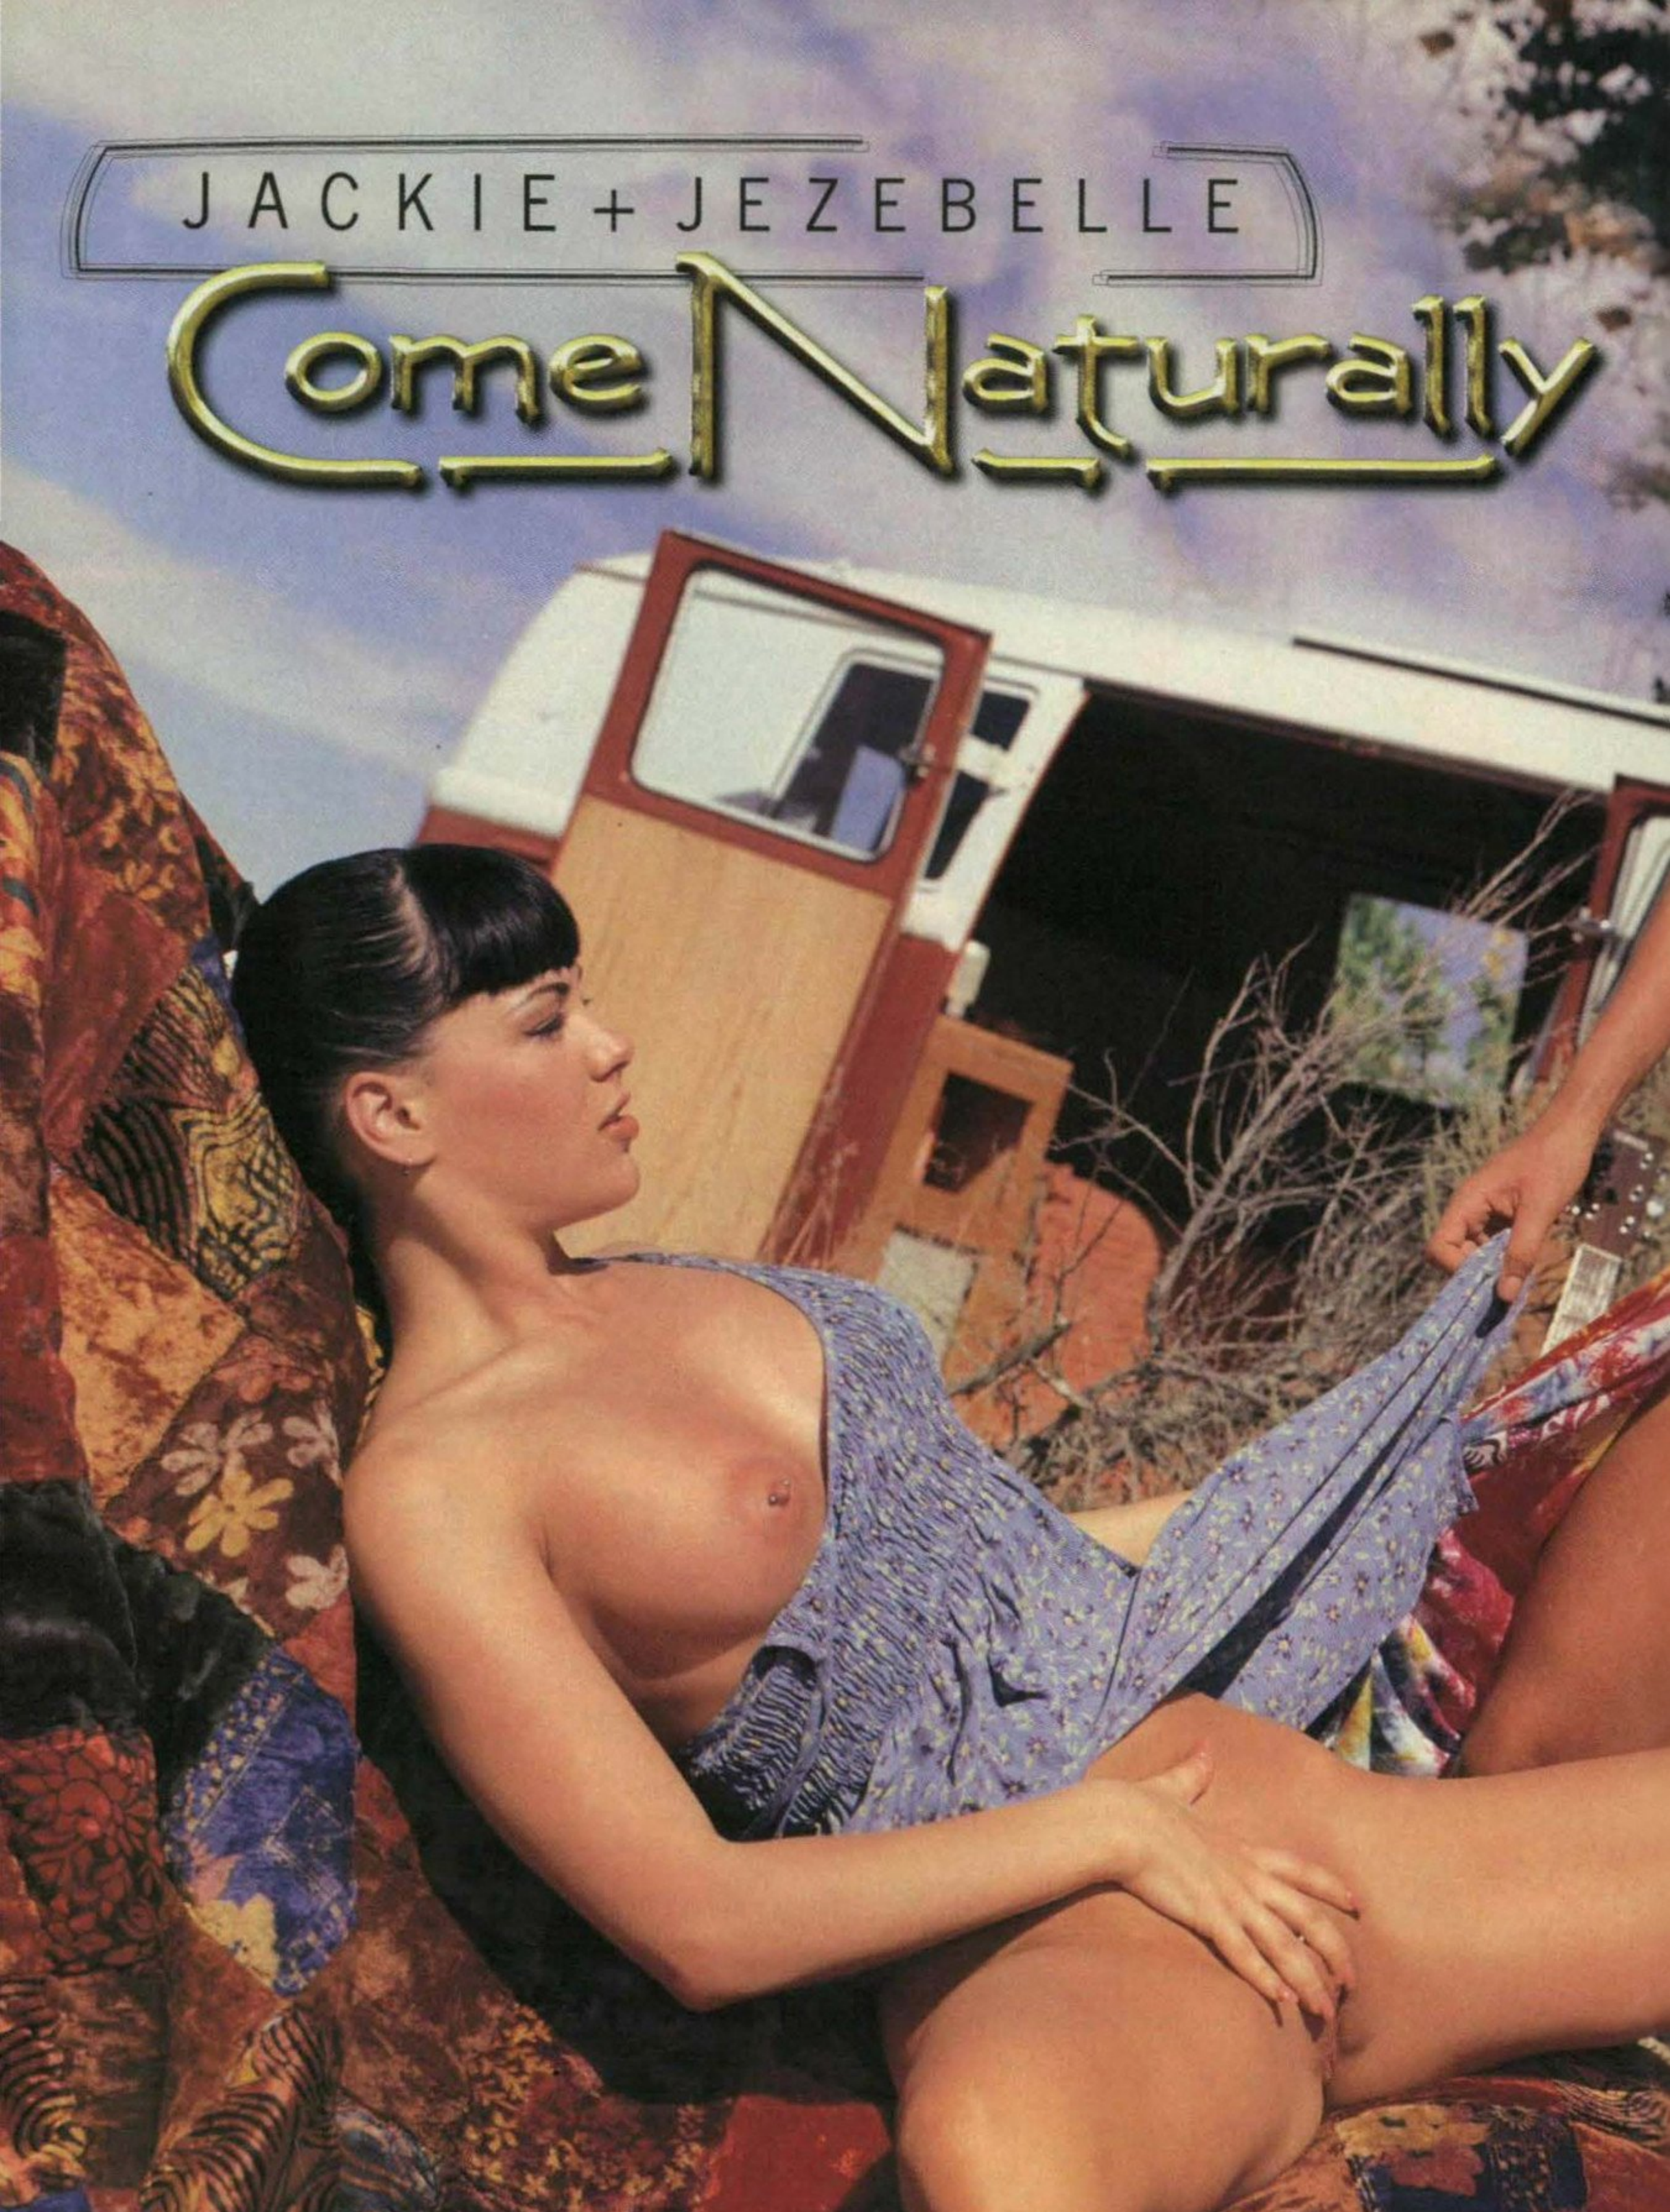
JACKIE + JEZEBELLE

Come Naturally



PHOTOGRAPHY BY MATTI KLATT

After weeks of volunteering for Earth First!, carpet-munching tree-huggers Jackie and Jezebelle finally hear the voice of Mother Nature while taking a break in the shade of Jackie's minibus.

"Did you hear something, Jezebelle?"

"Just your moaning," Jezebelle quips from between her lover's legs.

"*Come with me....*" the disembodied voice whispers.

"I heard it that time," Jezebelle admits. "She sounds beautiful."

"Let's find her," Jackie offers excitedly. The adventurous pair search, hand in hand, for the mysterious voice's source. A cool breeze transforms their nipples into hardened nubs. Sunlight coaxes juices from their warm, fleshy pockets. Before long, the pair are rolling in the dirt, nuzzling muff like starved anteaters. As they peak, a third ethereal voice screams along with them.

"*Hell yeah,*" the Earth mother moans. "*Hippie dykes fucking rule.*"

The Ultimate Cream Pie

In your May 2000 issue, a videotape was reviewed in the *Erotic Entertainment* section called *Internal Affairs: The Search for the Ultimate Cream Pie*. I would like to know the name of the company and the address where I could obtain a copy. Are there more videotapes available where internal pussy cum-shots show sperm oozing out of a lady's vagina? I'm a big fan of internal cum-shots, both oral and vaginal, because that's what really happens in most people's private sex lives. Thanks, and keep it real. —J. L.

Cos Cob, Connecticut

Porn husband-and-wife team Luc Wylder and Alexandra Silk produce the Internal Affairs: Cream Pie series for their company, Fallen Angel. Luc and Alex videotape real couples for their cream-pie creations—a rarity in the porn biz. Send all inquiries to Fallen Angel, 9424 Eton Ave, Unit F, Chatsworth, CA 91311, or visit their Web site at www.fallenangelxxx.com.

Male Model Wannabe

I'm an avid fan of HUSTLER, and I constantly fantasize about being photographed while fucking one of HUSTLER's lusty sex goddesses. How do you pick the male models for your pictorials? —J. M.

LaMirada, California

Sorry, but HUSTLER's men are a special, genetically-engineered breed, fusing Larry Flynt's DNA with the essence of Greek gods. Real human males are useless beneath the hot lights and extreme heat of passion—their boners melt and fall off (not a pretty sight).

HUSTLER 3-D

HUSTLER is a great magazine, but I think it would be three times better if it were photographed in 3-D. Have you ever had a boy/girl pictorial that was shot with 3-D photography? I just saw a swimsuit magazine that was shot in 3-D and was extremely impressed. Just imagine how awesome it would be to see a 3-D HUSTLER pictorial of a large dildo jammed up a woman's cunt or maybe a girl pissing toward the readers in hyperreal 3-D! Sound good? Please give this request some strong consideration. I can't wait to see 3-D penetration-shots that are so real, it hurts. —P. D.

East Lansing, Michigan

Why wait? You can see penetration in three dimensions today—it's called "Sex With a Real, Live Girl." Seriously, your idea is intriguing and will be considered during future Editorial meetings.

Demands Strap-on

I'm a 22-year-old heterosexual male and a huge fan of your fine magazine. I especially love the she-male pics you run. Like many of your readers, I would like to see layouts of girls balling guys up the ass with strap-on dildos—that's one scenario that I've never seen, and I know it would be a tremendous turn-on for me. Please consider my request, and keep it filthy! —S. C.

West Warwick, Rhode Island

You must be confusing HUSTLER with HUSTLER'S TABOO. TABOO is more likely to satisfy your hungry ass.

The Fist, the Whole Fist, and Nothing but the Fist

FULLY ERECT

Directed by Patrick Collins; starring Chloe, Felecia, Charlene Aspen, Keisha, Ruby, Phyllisha Anne, Giselle Yum, Lena Ramone, Felicia Ryder, Justine Romee and Zarina. Videocassette: Elegant Angel.

The Fist, the Whole Fist, and Nothing but the Fist provides a hands-in guide to the art of fisting. Enthusiastic host and teacher Chloe is keen on erasing the American social stigma surrounding the practice, debunking the myth that cunt punching stretches a woman's vagina out of shape. "The pussy is a muscle; it becomes stronger, not looser, from routine fisting," the petite fisting fanatic asserts. Chloe assembles a variety of women for an all-girl fisting party. Like a high-school gym coach teaching a new sport, Chloe kneels on the mat with her pupils to demonstrate. Donning pink gloves so that her fingernails don't tear sensitive tissue, Chloe slowly works her clenched hand deep inside Phyllisha Anne's womb. Felecia offers up her cunt for a fist as she lies beside Chloe and Phyllisha Anne. Soon, the two fistees are throbbing in orgasmic waves as if in the grips of epileptic seizures. A teeming orgy fills the room with she-devil screeches of pleasure. Chloe takes two fists in her split at the same time and even throws in a foot for good measure. Doggy-style, Chloe jams a girl's hoof ankle-deep into her own snatch. Crying tears of joy, Chloe pants, "Wiggle…your…toes," and her eyes loll back into her head for an intense orgasm. *The Fist, the Whole Fist, and Nothing but the Fist* makes good on its oath to please. —*Dan Panorama*

Valentine, Chong Bare Their Flesh and Souls

Stacy Valentine and Annabel Chong couldn't be more different, judging from two recently released documentaries. Valentine is a sweet, soft-spoken, bottle-blonde, perfectly groomed in *The Girl Next Door: From Housewife to Porn Star*, while gang-bang girl Chong exudes too-gritty realism in *Sex: The Annabel Chong Story*.

Fragile, forthright and endearingly giddy, Valentine is fascinating to watch as she struggles to balance the demands of her career, relationship and family. Grappling with issues of identity, Valentine philosophizes that "whether you're a porn star or a maid, you should have the right to be proud of whatever you do. I know I'm good at sex. I can give head really well; I can go down on women really well. I fuck great, and I'm very confident about my sexual capabilities."

At work, Valentine is shown to be beyond dedicated, offering her holes for double penetration, enduring bitter cold in the wee hours of a night shoot and throwing up between takes due to atmospheric smoke inhalation.

Honest to a fault, the former Oklahoma housewife exposes every aspect of her private life, including unflinching footage of her various cosmetic-surgery procedures. Director Christine Fugate's lens reveals a woman-child who stares into a mirror and can't recognize herself anymore. Desperate for intimacy, yet incapable of trust, Valentine retreats to her bed, alone with her cat.

The Girl Next Door isn't exactly stroke material, but it's more real than any fictional, *Boogie Nights*-style romanticization.

Annabel Chong, who describes herself as a "female stud" after boning 251 dudes in a single day, brings a dose of reality to the screen that's so real, it sometimes hurts. Gough Lewis's *Sex: The Annabel Chong Story* details Chong's life leading up to her infamous 251-man fuckathon and the emotional fallout that followed the notorious event. An overeducated gender-studies major, the then-22-year-old Chong cockily saunters across the USC campus wearing her commemorative gang-bang T-shirt and flaunting her sexual overachievement. When concerns that many of the men involved were not screened for the HIV virus are voiced, Chong shrugs uneasily and quips, "I believe that sex is good enough to die for."

While their high-minded approach does nothing to raise boners, *The Girl Next Door: From Housewife to Porn Star* and *Sex: The Annabel Chong Story* help to expose the faces behind the porn masks. Check out both flicks in the documentary sections of video stores nationwide.

THREE-QUARTERS ERECT

Directed by Antonio Passolini; starring Julie Ashton, Tina Tyler, Nikita, Chloe, Gina Ryder, Joel Lawrence, Steve Hatcher and Tony Tedeschi. Videocassette: VCA Platinum Plus.

Julie Ashton and Tony Tedeschi steal away to the restroom for a quickie butt-fuck while their hosts prepare the evening meal in *Bliss*. During dinner, the viewer learns that Ashton is married to Joel Lawrence and Tedeschi is married to Tina Tyler. Tyler announces plans to divorce her unfaithful husband, despite the fact that the Ashton/Tedeschi tryst remains a secret. The next day, Ashton consoles her brokenhearted friend. The pair mend crushed feelings with lesbian kisses and a heated 69. Tyler's sexual appetite becomes restored with a taste of cooze, but Ashton remains sad and confused. "She's on Prozac, and *still* she's unhappy," Joel Lawrence confides to his coworker and best friend, Tedeschi. Lawrence shares his deepest fear: that his wife is having an affair. Of course, Tedeschi knows the truth, but even *he* doesn't know the half of it—Ashton's fucking every schlong she can pack inside her sweet little pussy. While long on plot, *Bliss* offers enough twat to keep the sexual tension raging. *—D. P.*

Blue Matrix

THREE-QUARTERS ERECT

Directed by Nick Orleans; starring Jill Kelly, Tina Tyler, Anna Malle, Temptress, Alexandra Silk, Vivian Valentine, Ginger Paige, Selena Del Rae, Taylor St. Claire, Chenin Blanc, Cheyenne Collins, Billy Glide, Jack Hammer, Evan Stone, Herschel Savage, Ian Daniels, Dave Hardman, Alec Metro and Jon Dough. Videocassette: Adam & Eve.

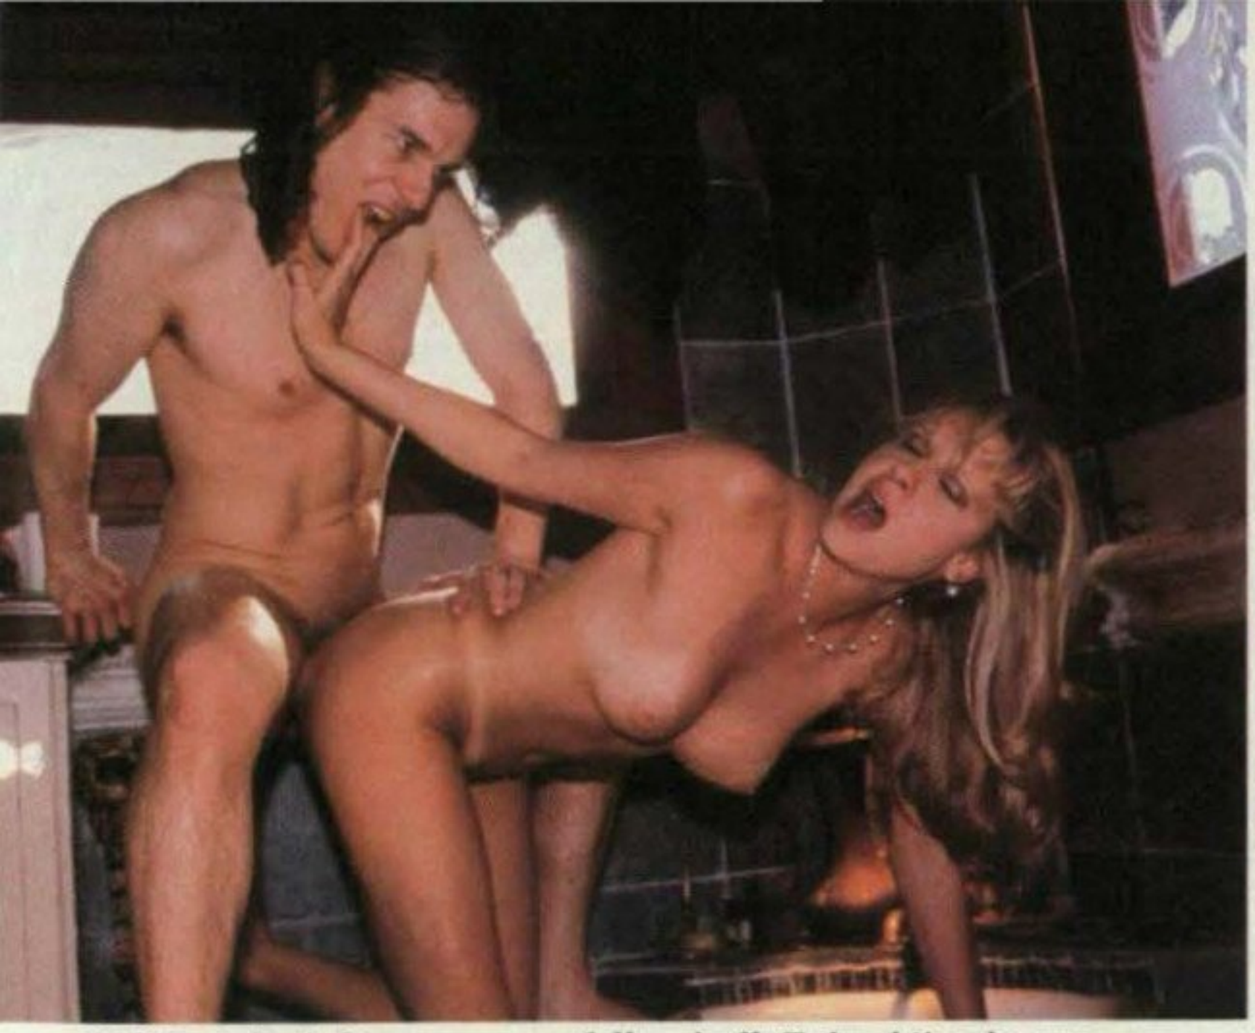
"I've been expecting you. Welcome to the *Blue Matrix*," purrs Jill Kelly, celestial representative of an ethereal world that mortal fuckers are transported to during explosive orgasmic peaks. In this sexual dimension, insatiable wives, gorgeous girlfriends and the occasional stud drift together in a mystical cloud, accentuated by blue lights and techno dance music. "Making love is a necessary component of life," Kelly explains to a freshly fucked newcomer. Kelly beckons the new girl to come closer. "Isn't the world a much better place when we all make love?" asks Kelly, standing seductively with hands clutching her tiny, corseted waist. Taking her cue, the new meat drops to her knees and slurps Kelly's heavenly crotch nectar. A menagerie of friends, neighbors and strangers joins in. The otherworldly orgy inspires frenzied fornicators to fuck themselves into heightened states of arousal in order to pass over into the promised land. While a goofy plot of sex-world hackers nearly ruins the fantasy, *Blue Matrix* comes close to achieving otherworldly goodness. *—D. P.*

My Black Ass #4

ONE-QUARTER ERECT

Directed by Sinnamon; starring Sinnamon, Chocolate, Chastity, Mocha, Dave Hardman, J. J. Michaels, Johnny Thrust, Rod Fontana and Mark Vega. Videocassette: Notorious Productions.

My Black Ass #4 busts prime black booty straight outa Compton and onto white-boy dick. Butt up in the air, golden-brown Sinnamon asks, "Do you like my black ass?" Her double globes of jiggling ass flesh prompt a hearty *yes*. Dave Hardman pumps lube into both of Sinnamon's greedy, black holes and buries his white meat in the red-hot, Nubian pussy. Little Dutch-boy chimp J. J. Michaels springs onto the bed and slams his pink pickle between Sinnamon's rubbery lips, tickling the ho's tonsils. The carnal fervor intensifies as the dueling white dicks swap holes: front to back, back to front. In the ensuing confusion, both boys cross paths and simultaneously end up in Sinnamon's asshole. While impressive, this hole-cramming feat basically amounts to Hardman and Michaels jerking each other off inside Sinnamon's prime, black ass. This semigay addition to the suck-'n'-fuck porn-flick formula occurs in scene after depraved scene: two dicks in Chocolate's mouth, two dicks in Chastity's snatch. This stick-rubbing parlor trick fails to ignite interest in straight libidos. *My Black Ass #4* is a waste. *—D. P.*



BLISS: Julie Ashton unsuccessfully rebuffs Tedeschi's advances.

BLUE MATRIX: Cyberstuds plug into Kelly's mainframe.

Raw: The Rise and Fall of a Porn Star

THREE-QUARTERS ERECT

Directed by Antonio Passolini; starring Kylie Ireland, Keisha, Jessica Jewel, Anita Cannibal, Midori, Violet Love, Joel Lawrence, Herschel Savage, Michael J. Cox, Steve Hatcher, Ian Daniels, Tice Bune, Lance Romance, Nickolas Ireland and Kyle Stone. Videocassette: VCA Platinum Plus.

Raw: The Rise and Fall of a Porn Star chronicles Joel Lawrence's blue-screen career. A struggling actor, Lawrence supplements his income as an extra on a porn set. When the woodsman's dick starts to splinter, the director calls Lawrence onto the mound. Lawrence rises to the occasion and hits a home run with Jessica Jewel, setting off a chain reaction that results in an explosive, gang-banging quadruple-header. The big-shot porn producer is so impressed, he offers the struggling actor a fat porn contract. Savage is hilarious as producer Victor Ventura, who persuades the reluctant Lawrence to accept his offer. "You're an actor, am I correct?" Savage queries. "Acting is acting. I mean, this business isn't about fucking; it's about acting like you're fucking." Lawrence signs on; his popularity swells, along with his dick and ego. Kylie Ireland, Lawrence's manipulative, sex-starved fiancee, adds to the friction with mind-fucks, fuck-fucks and ass-fucks. *Raw: The Rise and Fall of a Porn Star* has a story arc that tents the trousers.

Cheyenne Silver AKA Filthy Whore

HALF ERECT

Directed by Kid Tea; starring Cheyenne Silver, Temptress, Brick Majors, Nick East, Andre Maddness and Jack Hammer. Videocassette: X-Traordinary Pictures/Legend.

Cheyenne Silver AKA Filthy Whore screws for hours and still wants more. Unfortunately, so will the viewer. Young up-and-comer Cheyenne is a tall, insatiable soon-to-be superstar. In scene after scene, the beautiful slut lives up to the hype, swallowing flesh swords and succumbing to quim-pounding plow sessions. Outside her tepee, Cheyenne blesses Brick Majors with an Indian-style blowjob. She smokes the brave's peace pipe, then barters her beaver in exchange for a tongue bath. Cheyenne rides Brick's scrotum pole, her all-natural titties jiggling in the wind. Finally, Brick fires a quiverful of nut sauce onto Silver's shapely ass. Cheyenne satisfies in every scene, always looking her best and fucking like she was born with a cock in her snatch. Sadly, every scene plays out nearly identically. Porn studs burn rubber in Cheyenne's love tunnel before dumping their loads on her rear. Not a single droplet of whaz besmirches Cheyenne's comely face. Fans know that Silver's a raunchy tramp; it's too bad that *Cheyenne Silver AKA Filthy Whore* doesn't live up to its title.

The XRCO Awards

Hardened Smut Scribes Honor World-Class Video Vixens

With all the gaudy pomp and circumstance of a double penetration, a gang of XXX starlets, swordsmen and smut auteurs shuffled into the Century Club in Century City, California, on March 16, 2000, for the X-Rated Critics Organization (XRCO) awards ceremony.

Crowded around the bar, skimpily clad porn sluts rubbed shoulders with their beefy co-stars while discontented blue-screen scribes bemoaned the absence of free liquor. A frenzied documentary crew shoved its way through the silicon throng, shooting footage for yet another under-the-sheets sexposé. Civilian boyfriends, husbands and lovers watched from a distance as their mates schmoozed with slobbering fans, porn studs and filmmakers.

Several rounds of booze later, the festivities commenced, hosted by Jenna Jameson. Legendary T&A film director Russ Meyer barely batted an eye as the top-heavy superstar sounded out her pretyped, perhaps phonetically spelled, introductions. Director/porn historian/blowhard Jim Holliday watched from the wings, overseeing the proceedings like a Ray-Ban-wearing hawk, then swooped in to educate, inform and anesthetize the audience with hyperbolic porn lectures.

Starlet of the Year award winner Jewel De'Nyle wowed the audience with a double-edged acceptance speech, verbally skewering her ex-beau Peter North. Jewel thanked Peter for giving her the "experience to move on to bigger and better things," then sarcastically lamented the passing of his *North Pole* series. "It was fun while it lasted," De'Nyle quipped.

Randy Spears, accepting for Best Actor (Single Performance) in *Double Feature*, expressed his preference for his current trophy date over the XRCO plaque. "Fuck the award," Randy blurted, gesturing toward prize giver Tara Patrick, "I got the presenter."

Other winners included the comely Inari Vachs, who ran away with dual accolades, Female Performer of the Year and Best Actress, for her sweaty work in *The Awakening*. Hall of Fame inductee Tori Welles offered a heartfelt thanks to Vivid for putting her back in front of the camera and to the industry as a whole for being "the only family that always welcomes me back." With a mere 50 movies under her belt, Welles's promise to appear in more torrid flicks made the classy vixen's homecoming the most memorable portion of the star-studded evening.

House of Love

THREE-QUARTERS ERECT

Directed by Pierre Woodman; starring Ines, Inga, Meridian, Michelle, Suzi, Monica Rossi, Viktoria, Yvette Marco, Alain Deloin, Akim, Frank Versace, Pascal St. Clair, Steven Johnson and Titof. Videocassette: Private Gold.

In *House of Love*, a six-pack of gorgeous European coeds escapes to the jet-set enclave of Deauville, France, to blow off steam and suck uncut cock. A luxurious beachfront manor provides an exquisite setting for D.P. orgies and tag-team seaside sucking. Inga's performance deserves special praise. The luscious Latvian brunette resembles a 21-year-old version of supermodel Linda Evangelista. Inga's pouty kisser coaxes spermy lip gloss with a simple smile, and her capacity for sweaty D.P. depravity is Nobel Prize-worthy. She unites enemies on the strength of her tight holes with grace and style. European XXX director Pierre Woodman demonstrates why *HUSTLER XXX Video* snatched the porn auteur from the Old World to the U. S. of fucking A. While *House of Love* is unfortunately dubbed (sex moans and sighs are a universal language requiring no translation, producers), Woodman's assemblage of prime Euro cooze blows the roof off the sucker. —*D. P.*

Dirty Dancers #17

THREE-QUARTERS ERECT

Directed by Luc Wylder; starring Jessica Drake, Shane Tyler, Bamboo, Alexandra Silk, Charlene Aspen, Evan Stone, Chris Cannon and Ronnie Cox. Videocassette: Fallen Angel.

Comely dancers shake their moneymakers in *Dirty Dancers #17*. In each of the video's four scenes, Luc Wylder interviews a lovely porn starlet. Jessica Drake opens with a long striptease before fucking the shit out of Evan Stone. The cute Texan starts off by trying to engulf Stone's enormous shaft with her tiny mouth. Her vage lips fare better, effortlessly sliding to the base of Evan's meat totem. Jessica's firm body writhes deliciously as she rides Evan's snake. Stone rails Drake from behind, slamming her tush as she whips her dirty-blond hair in ecstacy. Jessica hand-milks Evan's dong, suckling on the resultant splooge like a newborn calf. More adorable, energetic ladies follow. Shane Tyler fucks and sucks Chris Cannon in her retirement scene. Flashbacks to Tyler's *Dirty Dancers* debut add context to the dripping sex party. Charlene Aspen, Bamboo and Alexandra Silk all check in for killer performances. The gorgeous girls and solid sex are weakened by Wylder's contrived commentary and a godawful butt-rock soundtrack. When Wylder's eye-popping ladies finally leap into action, though, *Dirty Dancers #17* is a spellbinding hard-core floor show. —*N. V.*

Screwed

THREE-QUARTERS ERECT

Directed by Rod Fontana; starring Temptress, Tori Teeze, Nina Whett, Leilani, Jennifer Lean, Kristen St. James, Buck Adams, Tom Chapman, Jack Hammer, Johnny Toxic, Steve Taylor, Rod Fontana, Steve Austin, Joe Herman and Nick Gage. Videocassette: Multimedia Pictures.

Screwed's convicts tunnel deep into prison-guard pussy, but never escape. Once a prisoner catches a whiff of correction-officer snatch, he loses the will to flee. Old-timer Buck Adams, on the lam in lockup drab, struggles to hot-wire a pickup truck. Armed slut Jennifer Lean shoves a shotgun in Buck's face before putting down her weapon and taking up Buck's flesh rifle. Jennifer slurps on Adams's pistol; Buck chows on Jennifer's cooch, lapping labe and tonguing ass. Lean bends and invites Adams for a conjugal anal visit. Buck jams his rod into Jennifer's shit rings, banging her colon like a true inmate. Ten years' worth of backed-up batter erupts onto Lean's chin, sliming the grinning guard's lips. More guy-on-guard action ensues as each convict is spotted, fucked and rounded up. Rod Fontana probes Nina Whett's love tunnel, then goops on her face and shades. Temptress, Tori Teeze and Leilani each capture a stud, hump him senseless and then drag him back into custody. This kind of hard time isn't punishment; it's good to be *Screwed*. —*N. V.*

HOUSE OF LOVE: "Hot Euro pussy—come and get it!"

DIRTY DANCERS #17: Strap-on wielding Silk gets a little behind in her work.

Color Blind #2

FULLY ERECT

Directed by Robby D; starring Kokoa, Leianni Lei, Chocolate, Mia Smiles, Temptress, Dayton Raynes, Monique, Steve Taylor, Dave Hardman, John Decker and Bobby Vitale. Videocassette: Vivid Raw.

Interracial fuckers unite in *Color Blind #2*, a jizz-stained, '70s flashback updated with a modern gonzo sensibility. Black, white, brown and yellow meet, strip, suck and screw in a psychedelic whorehouse bedroom plastered with trippy velvet posters. A boon to race relations, director Robby D proposes a simple solution to cultural misunderstanding: shut up and fuck. Superstud Bobby Vitale and spitfire Negress Monique bridge the gap with their privates. The afro-clad sister tastes Bobby's shaft, gorging herself on the white devil's rod. Monique gags, drools and moans, but doesn't give up. Black Power prevails when the vociferous Monique mounts Vitale's stiffness. Monique's chocolate labes stretch as Vitale pounds her snatch before exploring the dark side of her moon, probing her cavernous shitter. Vitale releases his nut batter on Monique's face, creating the ultimate mixture of black and white: a soul-sister facial. Asian babes Mia Smiles and Leianni Lei represent the Far East, sharing their poontang with Caucasian boners. Fair beauties Temptress and Dayton Raynes writhe under the olive-hued thrusts of Vitale's enormous man branch. In *Color Blind #2*, unity is a fuck thing, something everyone understands. —*N. V.*

SCREWED: Nuts tighten around Temptress's slot.

COLOR BLIND #2: Or was that Foxy Browneye?

Perfect Pink #5: Sexxxy

THREE-QUARTERS ERECT

Directed by Jill Kelly; starring Temptress, Rene LaRue, Taylor Moore, Love Lee, Jill Kelly, Chris Cannon, Randy Spears and Julian. Videocassette: Jill Entertainment/Eurotique Entertainment.

Perfect Pink #5: Sexxxy is a nasty porn-star field trip. Jill Kelly loads up a Winnebago with her pay-for-lay pals and hightails it to the great outdoors. Kelly then captures video of her friends sucking and screwing under Mother Nature's approving gaze. Temptress slobbers on Chris Cannon's plank in a rowboat. Back ashore, Cannon docks with Temptress, his titanic tool stretching the beauty's tender cove. Cannon pounds Temptress's depths, then plasters her tiny chest with salty spray. Rene LaRue and Randy Spears opt to bone on the deck of a speeding ski boat. Spears laps LaRue's poon while wheelwoman Taylor Moore watches jealously in the rearview mirror. Randy straddles Rene and jams his meat mallet into her eager maw; the cock fiend gorges herself on Spears's man meat. Spears bangs LaRue's booty, then pops a load on her buoyant breasts. Beautiful scenery, energetic couples and solid camerawork make Kelly's vacation video a compelling view. Topped off with an all-girl scene overflowing with she-jizz, *Perfect Pink #5: Sexxxy* is a trip worth taking. —*N. V.*

PERFECT PINK #5: SEXXXY: Temptress rolls jizz joint.

AMNESIAC: Janine loses mind, solicits friend to find it.

Amnesiac

HALF ERECT

Directed by Ralph Parfait; starring Janine, Dee, Alyssa Love, Randi Rage, Chandler, Timber, Herschel Savage and Derrick Lane. Videocassette: Vivid Film.

Amnesiac bonks Janine on the noggin, but not hard enough to knock any sense into the notoriously cock-shy starlet. Mugged while in-line skating, Janine wanders the streets, unable to recall anything. Luckily, Alyssa Love stumbles upon the dazed cunt licker and saves her from a possible rape. Touchy-feely gyno Randi Rage examines Janine's twat, sending the labe lapper into fits of bliss. "You're very sensitive," Randi observes, inserting a speculum into Janine's honeypot. Later, Alyssa helps Janine explore her past by recreating a scene she's lived a million times: a girl-on-girl carpet-munch. Only Herschel Savage, Janine's sleazy agent, has any good ideas. First, he screws Janine's housekeeper, Dee. Dressed in a maid's uniform, Dee scours Herschel's spotted dick, but can't beat the stain. Savage bops her cooze from every angle before popping sticky tendrils of goop onto her well-rounded booty. Herschel's next bright notion is to trick Janine into fucking a dude before her memory returns. Unfortunately, the strict vagitarian snaps out of her haze at the last minute. Short on dick but long on lezzies, *Amnesiac* is almost hot enough to make viewers forget its schlongphobic tendencies. —*N. V.*

I HATE YOU DEEPLY

I think I need help. I revel in degradation. I crave a macho cock ramming my cunt and ass with animal strength while mean, manly hands pull my hair until I scream. I beg my fierce, dull-witted boyfriends to spit in my face when I come. I've become desperate to cure my hunger for humiliation. As a last resort, I enrolled in a women's studies course at my local community college, hoping the class would teach me to be strong-willed and self-actualized. Those hopes were dashed when I started sleeping with Mr. Chapman, the deceptively sensitive-looking professor who's giving me a crash course in depravity.

I wanted to learn. I was an eager student of feminist thought before I started fucking Mr. Chapman. Declaring me his favorite pupil, Mr. Chapman urged me to read his master's-degree thesis. He said that a mind as sharp as mine would glean a great deal from his thought-provoking piece, a long-winded analysis of the relationship between rape and fertility in the works of Toni Morrison. On the surface, the article reads like any other male-feminist rant; it bemoans masculine arrogance and brutality while exalting the female's inherent spiritual superiority. A quick read between the lines of Mr. Chapman's rambling academic drivel reveals a seething misogynist who longs to debase the womanhood he so ardently defends. I easily perceived the sickness in Mr. Chapman's overeducated psyche, and I latched onto him, knowing he would breed that same sickness in me. I frequented his office to ask him provocative questions about the repressed eroticism of Emily Dickinson's poetry. That ruse soon dissolved, and Mr. Chapman and I began to copulate with violent regularity.

The first time Mr. Chapman took me was the morning before an exam. I had been up late reading Sylvia Plath and stopped by Mr. Chapman's office with half-baked queries concerning "Lady Lazarus." I made shallow observations about the poetry to provoke Mr. Chapman and ignite his base desires. I wanted to make the latent sadist hate me, then fuck me with all the rage in his black heart. I asked obvious questions: Is the poem about suicide? Is Ms. Plath angry? I spewed inanities until Mr. Chapman's patience was exhausted. His calm, blue eyes reddened with barely contained fury.

"You're talking like an idiot, Ariel," the professor spat, his voice trembling and his forehead glowing with tiny beads of sweat. "You aren't an imbecile. Why are you speaking like one?"

"I know, Mr. Chapman," I sighed. "We used to enjoy such intelligent conversation. I don't know what happened. Do you think I'm a dumb bitch?"

"Of course I don't think that." Mr. Chapman's tight, pale lips belied his denial. His fingers shook. I curled onto his leather sofa and stuck my ass in the air. I lifted my gray-flannel skirt and pulled my white panties aside so he could see my dumb, pink cunt.

"Spank my stupid butt," I cooed. "I'm a silly, stupid girl. Hit me hard and show me you're big and smart."

Mr. Chapman's normally ashen face was burning hot purple. He grabbed a copy of *To the Lighthouse* from his desk

Hot Letters

The sadistic scholar feverishly jackhammered my twat, pounding so furiously that he bruised my insides. With his free hand, the fiend squeezed my tits like he was wringing out a sponge.

and hurled it at me. The paperback flapped clumsily like a drunken vulture before smacking my bare thigh.

"That didn't hurt at all, Mr. Chapman," I pouted. "Don't be a sissy. Come over here and hurt me."

A thick vein pulsed in Mr. Chapman's forehead. He stepped out from behind his desk and advanced toward me with purposeful strides. I gasped as his fingers clutched my hair and wrenched my head back by the scalp. Mr. Chapman smacked my flushed bottom, his palm exploding against my peachy flesh with a crack like gunfire. He shredded my underwear until it dangled from my thigh by a tattered band of elastic.

"So fucking stupid," Mr. Chapman snarled, stabbing my brothy snatch with three thick fingers. "Every godforsaken day, I drone on about you ridiculous bitches. Fucking moronic."

"You're right, Mr. Chapman," I purred. "Stick your prick in me like you mean it."

My tormentor crammed my face into his leather couch and planted his palm against my skull so I could scarcely breathe. Over the gurgling of my own labored breath, I heard his zipper descend. The fiery tip of his cock bumped into my palm-warmed butt cheek before nosing against my gash. Mr. Chapman thrust his blood sword into my conch with all of his might. The sadistic scholar feverishly jackhammered my twat, pounding so furiously that he bruised my insides. With his free hand, the fiend squeezed my tits like he was wringing out a sponge. I whimpered and cried into the sofa, but my clit throbbed. An orgasm brewed in my groin. A muffled moan escaped my lips. Mr. Chapman yanked his wrench from my hotbox and lifted my face from the couch.

"You ought to keep quiet," he panted, seizing my shoulders and flipping me onto my back. I slammed against the leather with a soft thud and stared glassily into his soulless eyes. The devil pinned my wrists and stuffed his saber into my pliant mouth, pummeling my tonsils with its slippery head. He wanted to deprive me of an orgasm, but, unbeknownst to my welcome tormentor, I can get off merely by flexing my vaginal muscles. I tensed and released, tensed and released. Mr. Chapman slammed my throat until it was raw. As a molten load of pecker snot bubbled down my esophagus, I trembled with orgasm. I exhaled with relief, causing Mr. Chapman's sticky seed to burble from my throat. The goo slid down my face and splattered like baby puke on his expensive upholstery.

Mr. Chapman avoided my gaze as he dressed and smoothed his hair in silence. Of course, he would need more of what he'd just had—as would I. I left his office wordlessly, secure in the knowledge that the cloying scent of semen and snatch would hang in the room for hours, even days, ultimately driving Mr. Chapman to grant me further, frequent abuse. That afternoon, I deliberately bombed the exam to bait the professor. After the tests were graded, Mr. Chapman told me to stay after class. He berated my lousy performance on the exam before raping my ass with the pointer he always taps against words on the chalkboard. Then he slammed his smart sausage into what he affectionately refers to as my "fuck-me face."

Really, Mr. Chapman is a rather pathetic little man. Then again, I'm a pathetic little bitch who needs the ill treatment and violent, dirty sex he zealously provides. My seemingly pro-chick teacher is a misogynist and a fucking pervert, but the bastard's secret is safe with me, so long as he keeps teaching my ass a lesson.

Boston, Massachusetts

ASS TO THE GLASS

I think my dick's about to fall off. My new neighbor is a hot fucking honey, and thanks to her, all I do is jack off. The girl is a total freak. She never closes her blinds, and she's always naked. On top of all that, she masturbates incessantly. Since she moved in, I've watched her pummel her pussy with everything from vegetables to small household appliances. Aside from the occasional shower or snack, the free show seldom stops, and if it does, the respite is only long enough for me to wipe the cum from my windowsill. I don't know this maniac's name; so I started calling her Lola, because it rhymes with the gurgling *oh-oh-ahh* noises I emit when watching her. Damn, my cock is sore.

You wouldn't believe what happened yesterday. It was about 8:30 in the morning, and I was eating a bowl of cornflakes in bed. After wiping a dribble of milk from my undershirt, I glanced out to behold Lola's meaty ass smushed against the bay window in her kitchen. The bitch sports a big bubble butt, and she was grinding and rolling her ample glutes against the pane so hard that the glass trembled. A flash of orange flickered

"Here, I want you to have this. It belonged to my mother."

Lola sank the carrot into her hole while continuing to mime fellatio on my aching shaft. As my splooge oozed down the windowpane, she slurped frantically at the glass.

between Lola's legs. I squinted to make out the source of the bright color; I discerned a monster-size carrot plunging greedily into the depths of Lola's insatiable snatch. With each thrust of the carrot, her fleshy ass slammed solidly into the windowpane. My sleepy dong stirred at the spectacle, fattening with each of Lola's enthusiastic jolts.

Goddamn, the horny bitch is gonna break the window, I mused, rubbing my sore, aroused wang with robotic compliance. Suddenly, Lola about-faced. I had a full-frontal view of her root-stuffed pussy and floppy milk jugs. She lifted a dangling tit to her lips and sucked her own chubby nipple, still vigorously zapping her vage with the carrot. My weary excitement swelling, I moved to my window for a closer view. I squatted under the sill and resumed spanking my salami. My nuts rumbled; I groaned and closed my eyes in anticipation of the impending emission of cock sauce. I was jolted from my masturbatory trance by a loud knocking coming from outside.

"Oh, fuck," I gulped. My eyelids flapped open to behold Lola staring me square in the face from behind her window. She stood frozen in place, the carrot lodged halfway up her chute. Paralyzed, I remained crouched at the window like an idiot with my hand clamped to my dong. Fixing me with a challenging gaze, Lola slid the carrot out of her slice and flung it to the floor. The lusty lunatic parted her pussy lips and smushed the wet petals against the glass. She swung her hips side to side, up and down, painting the pane with an elaborate swirl of slime. The glass was sweating with moisture; Lola placed a finger in the vapor and began to write.

LICK IT, FUCKER. The words appeared like magic through the pussy fog. Lola banged her snatch against the window and wiped a spot clear so I could admire her soggy pie. She swabbed out a peephole for her eyes and reaffixed her glare on me. Through the condensation, I detected her blurred hands gesticulating impatiently. Lola's pink, bloated clit lapped the glass and stirred my passion. I placed my tongue on my window and firmly licked where I estimated her swollen nub would be. Lola responded by crushing her cunny harder into the glass. I flicked and rolled my tongue; Lola quivered and twitched with each lash. I slurped frantically, a puddle of drool forming on the sill. Lola pried her labes open as wide as they would go and thrust her pelvis into the window with a boom. Her face was flushing an urgent magenta. She frantically scrawled another message onto the steamy glass.

SHOW ME YOUR COCK. I rose quickly to my feet and batted my boner against the window. Lola's mouth stuck to the glass like a sucker fish. I could practically feel her hot throat swallowing my schlong. She splayed her legs and reclaimed the abandoned carrot, sinking it into her hole while continuing to mime fellatio on my aching shaft. My balls tightened and growled audibly. I dealt my hammer a couple of firm yanks before spewing a bucket of spunk. As my splooge oozed down the windowpane, Lola slurped frantically at the glass and jammed her clam with blistering vigor. With a howl that rattled my windows, Lola climaxed convulsively, shooting an impressive stream of girl gunk. The violent spray of brine blasted the glass, sending the carrot rocketing from Lola's erupting cunt. With the velocity of a bullet, the gunked-up produce shattered her window. A spray of shrapnel flew through the air; stray shards pelted my window. Surveying the damage, Lola's luscious body jiggled with mad laughter. Still cackling, she wandered down the hallway and out of sight.

That evening, Lola, still naked, was taping a big piece of clear tarp over the missing window, making sure to bend over frequently so I could see her rosy clam and dainty asshole. My rubbed-raw dong hardened despite its soreness, and I couldn't resist busting a quick nut while Lola toiled in the buff. Maybe Lola will invite me over one of these days, and I'll fuck her for real, but I should let my overworked wang recover first—as if that's ever gonna happen. With a neighbor like Lola, I'll never quit beating the meat.

TREASURE TRUNK

Some people rent safe-deposit boxes; I like to hide things in my pussy. My coochie is like a treasure cave stuffed with candies, toys and coins. My new friend, Ramona, totally digs hunting for secret prizes in my poontang. We've turned the excavations into a fun game. When Ramona successfully dislodges all the treats from my twat, I reward her by strapping on a big, black dildo and reaming her ass and snatch.

Ramona's 20th birthday was last Saturday; so I went out shopping for extra-special booty to stuff into my slot. At the party-goods store, I bought a pack of gummy worms (Ramona's favorite) and a bag of assorted favors, including kazoos and candy necklaces. I stopped by

the bank and traded in some bills for a stack of those new gold Sacagawea coins. They're very shiny, like doubloons. Then I visited the grocery store, where I purchased cake mix and frosting, along with a variety of candles, cake decorations and a six-pack of beer. Driving home, my juicy sluice drooled as I pondered the wealth of goodies I'd soon tuck away in my twat.

I had a ball baking Ramona's cake. Unable to contain my excitement, I masturbated with the spatula and stirred tangy pussy juice into the batter. When the devil's food cake was ready to frost and decorate, I squeezed extra icing onto my titties and licked it off, which inspired me to diddle my kitty once again, this time using the scalloped tip of a pastry bag. I quickly came and resumed making frosting florets, each delicate sugar rose laced with my girl goo.

Ramona arrived at my house that evening wearing a tight, white minidress and a pointy party hat. I greeted her with a wet French kiss and squeezed her perky boobies. I sat the birthday cutie down on the couch, handed her a beer and told her to relax while I readied her surprises. Sucking on the Miller Lite, Ramona's legs parted slightly; her shiny little vertical smile smirked at me. Horny as hell, I scuttled into the kitchen and prepared for the festivities.

Closing the door to prevent Ramona from peeking, I stuffed as much loot as I could fit in my greedy girl grotto. (Don't try this at home, kids—I've had plenty of careful practice gorging my gulch.) I lifted my skirt and packed my poon with two gleaming coins, four gummy worms, one candy necklace, one Superball, a tiny toy car and, finally, a kazoo. Satisfied with the array of delights, I removed my shirt and topped my nipples with a pair of frosting florets. Thus adorned, I lit the candles on Ramona's cake and pranced into the living room, carrying the flaming pastry and singing "Happy Birthday." Ramona's face glowed enticingly in the candlelight. She extinguished all 20 candles with one sweet gust of her breath.

"Hooray!" I cried. "Now, which do you want first: to eat your cake or find your presents?"

"Oh, goody!" Ramona exclaimed, snatching both rosettes from my tits with her nimble tongue and pawing eagerly at my skirt. "I wanna see what's in there!"

"Okay, scoot over," I instructed. I stretched onto my back and opened my thighs. Ramona parted my labes and peeked inside. She dipped a finger into my cooch and dislodged the kazoo with a gentle tug.

"Oh, wow, a kazoo!" Ramona squealed. "Here, I'll play a song into your pussy."

Ramona wrapped her mouth around the instrument and hummed her favorite song, "That's What Friends Are For." I giggled and moaned as Ramona's moist lips rubbed against mine. The kazoo vibrated against my sugar walls. By the time Ramona reached the part of the song that goes, "I'll be on your side forever more," I was wailing and floundering with my third orgasm of the day.

"*Yay*," Ramona yipped when I finished coming. "Let's see what else is up there." She wormed her finger back inside me and hooked the toy car. That trinket was quickly followed by the Superball, which popped from my pouch and bounced merrily across the floor. Ramona laughed and rolled the car over my nipple before shoving her nose back into my crotch, eager to unearth the next delight. I shivered as Ramona caught the candy necklace in her teeth and slowly pulled it out. She secured the snatch-sticky jewelry around her neck and grinned at me.

"The next ones are your favorites," I revealed, enticing her further. Ramona wiggled two fingers into my flue. The first gummy worm slid out. When Ramona realized what treat was in store, she chirped with joy, fixed her soft, hot mouth onto my twat and sucked.

"*Mmmrrrm, yummmermph*," Ramona quietly growled, chewing the emerging wriggly confections and my sticky flaps with equal enjoyment. "Good, good—*snerrrble slarp*."

As Ramona was swallowing the last gummy worm from my vage, I was rocked by yet another orgasm. I thrust my pelvis skyward and came. I sank back down, weak from the forceful climax. Two pretty golden coins tinkled out of my relaxed snatch and onto the floor.

"Neato," Ramona remarked, her beaming face coated with a sloppy mixture of girl grease and food coloring. "It's the new Sacagawea dollar coin!"

Our cunt hunt over, I sliced a big hunk of cake for Ramona and sported the strap-on. She enjoyed both on her hands and knees, burying her face in devil's food cake while I buried the prosthetic boner in her back door. She sure liked that. When we were finished and lying in a messy heap on the floor, Ramona told me it had been the best birthday ever. I told her it was nothing; her happy hunting makes every day a holiday for me. —S. K.

Digging for Digital Gold

XXX PROSPECTORS START INTERNET $EX $ITES

BY MICHAEL ISWAN * ILLUSTRATION BY GRAY GINTHER

Sitting at his work station in the claims department of a Connecticut insurance company, Buford is transfixed by the softly glowing screen of his computer. Each click of his mouse button draws him deeper into the infinite labyrinth of online pornography. The working stiff trains his cursor on a photograph of a split, wet beaver. Click. The snatch fills the screen.

From the corner of the fiberglass cubicle, a Mr. Potato Head doll looks on in mute horror as Buford risks his job by blatantly downloading cybersleaze during lunch hour. Buford, a mid-level claims processor, is at one with the Internet.

Onscreen, a digital door opens to a live Internet feed of a blonde reclining on a chaise lounge. Goldilocks eases a yellow jelly dildo into her cunt and pumps her hips with a jerky, pixelated motion. The girl will comply with Buford's every typewritten desire for $4 an hour.

"Wave your left hand," Buford writes into a dialogue box. Click. Goldilocks waves.

His thirst for personal interaction quenched, Buford asks the girl to spread her butt cheeks for the camera.

Now that he's a multimillionaire, Buford is happy that it was at that precise moment that Lucy, the claims supervisor, decided to hand deliver the letter from the president of the company promoting him to senior claims processor. The yawning anus that greeted Lucy on Buford's computer screen resembled the spreadsheet he was supposed to be working on in name only.

Six months after he was summarily terminated from his job, Buford still spends most of his time trolling for trim on the Internet, but now he surfs the Web on work time without fear of losing his job. The former paper pusher sniffed the scent of online riches and jumped; he built his very own adult Web domain.

The advent of the information superhighway is widely believed to have democratized the pornography industry: With a little bit of knowledge and plenty of old-fashioned chutzpah, anyone can climb aboard the XXX gravy train.

Less than five years ago, Danni Ashe was a moderately successful big-boob model; today, she is an authentic Internet success story. Ashe launched Danni's Hard Drive (www.danni.com) in July 1995 with $8,000 in computer equipment. Her Web site now receives more than seven million hits per day, including repeat visits, and generates revenues in excess of $6 million per year.

Ashe maintains that, with persistence, her Horatio Alger-like tale can be replicated.

"This business never sleeps, but if you love what you do and give it a hundred percent, success follows," Ashe says.

With the E-commerce gold rush in full swing, entrepreneurs eager to be the next Danni Ashe are pouring onto the Internet, intent on striking it rich.

Online companies that help people start their own sleaze sites have sprouted up like weeds, making the process of constructing a Web domain easy and relatively inexpensive. Many would-be E-filth merchants learn that getting a smut gallery up and running can be a fun pet project, but that turning it into a profit-making venture is considerably more arduous.

"You could sink $100,000 into a site and then ask, 'Where's my millions?' " says Steve Sweet, owner of SweetErotica (www.sweeterotica.com), an X-rated content provider. "Don't be fooled: this business is very competitive. People throw money at this all day long, and the next thing you know, you're out of business."

I know I have a nice butt," the shapely flesh-trade professional admits, "but I can't figure out why it drives my customers so batty."

Bo bends forward. Her crack opens to reveal a perfect clam. Reaching between her legs, Bo's finger bisects labes and prods her joy buzzer. Heady juices spill as Bo spies her spread cooch in the mirror. "*Ahhhhh....*" Bo moans in pleasure and discovery. "Now I understand."

A Web site overflowing with boobs, butts and wad-shots may look like it's open for business, but is a collection of 300 photos enough for a brand-new XXX site to stick a webbed foot in the door?

businesses do exist though, proving that online dreams can become hard-cash reality.

The first thing an aspiring Netpreneur needs to do is dream up a snappy domain name, distinctive enough to stick in the mind of potential consumers who run across hundreds of Internet addresses over the course of a day.

Unfortunately, obvious choices such as www.sex.com and www.bigtits.com are long since spoken for; a Web master with a can't-miss name in mind needs to find out if someone else hit on it first. Business services site Network Solutions (www.networksolutions.com) performs this search free of charge. If a domain name has not yet been claimed, Network Solutions charges $70 to reserve it for a two-year period.

Once a Web master has secured a memorable address for his site, he will need some virtual real estate—the physical location where his future breadwinner will reside. Site operators unwilling or unable to buy superexpensive computer equipment usually register with a Web hosting company, such as Cave Creek (www.cavecreek.com). Cave Creek, which processes between 300 and 400 million hits per day, rents out space on its computers for $39.95 per month.

Once a Web site is onboard with a name and a place to stay, it needs to be filled to the gills with filthy pictures.

Procuring the salacious material that cyberpeepers will pay good money to jerk off to is perhaps the most enjoyable part of creating a sex site. At SweetErotica, budding cyberpornographers can choose from more than 70,000 print images and thousands of hours of streaming video. Images cost $5 apiece; a custom CD with 300 photos runs about $200.

A Web site overflowing with boobs, butts and wad-shots may look like it's open for business, but is a collection of 300 photos enough for a brand-new XXX site to stick a webbed foot in the door?

"Not even close," says Steve Sweet. "If you're competing with the big boys, you need at least 100,000 images."

Launching a sex domain sounds prohibitively expensive, but Danni Ashe started small, and she struck it rich. The cybersmut mogul credits her success to a personal touch.

"You have to have something special that people want," says Ashe, who learned that her customers were interested in more than just a meaty set of knockers; they craved friendship.

"People want a connection," Ashe says. "[The Internet] is a cold medium. I make fans feel warm and comfortable."

Danni Ashe used relationship marketing to win customers; other cybersmut bigwigs, such as Internet Entertainment Group's Seth Warshavsky, used nude celebrities to lure both members and mainstream-media attention to ClubLove (www.clublove.com), his flagship Web site. Warshavsky hit pay dirt by offering the notorious Pamela Anderson Lee home movie for sale on his site. Warshavsky recommends establishing a solid infrastructure immediately.

"If you really want to succeed on a big scale, hire a first-class management team from the beginning," Warshavsky says—meaning that no one with less than six figures to spend on an online venture need apply.

"This is a very expensive market for a lot of these mom and pops to start up in," admits Tony Tang, Vice President of Flynt Digital, which oversees www.hustler.com and other Larry Flynt Digital Web sites. Tang says that having access to start-up capital helped Flynt Digital hit the ground running four years ago; working with a household name didn't hurt either.

"HUSTLER is a trusted brand name, and that gives us an advantage in the marketplace," Tang says.

Given that well-financed corporations with established organizational infrastructures dominate the Web, a XXX start-up's chances of success are remote—but still existent.

A freshly minted sex site can start earning money right away by linking up with better-established Internet ventures. High-volume Web addresses intent on increasing market share pay cash to Web masters who send them traffic, the life blood of E-commerce.

AgeCheck (www.agecheck.com) sells a service that blocks minors from logging on to sleaze sites, but it also pays neophyte Web masters to promote their site. Web masters are paid 11 cents each time a visitor clicks on "Click Here to Apply for an AgeCheck ID." Dozens of other large ventures, including Sweet-Partners (www.sweetpartners.com) pay cash for traffic that is diverted their way. Pennies per click may not sound like much, but it's a start.

If there's a trick to making a fortune online, it's having money. If not, having big tits and boundless ambition like Danni Ashe is a good second best.

"Wipe it good, babe! I'm gonna post this on toiletsluts.com."

THE FUTURE OF FUCKING

CYBERSCHTUP PIONEERS TEST-DRIVE HIGH-TECH SEX MACHINES

OVERVIEW BY JESSICA HUNDLEY * ILLUSTRATION BY BRUMMBAER

>>>Thanks to recent advances in broadband technology, it is now possible for a man to have sex with a woman without ever having to resort to actual physical contact. This stunning triumph of applied science has glutted the E-consumer market with futuristic sexual options. Will virtual orgasms ever replicate the actual skin-on-skin sensation of knocking boots?<<<

Kelly Bray is a textbook Web geek. Brilliant but socially handicapped, sweet but capable only of the sort of charm that elicits pity, Bray makes his living, as he says, creating "pretty pictures." Bray's position in graphic design and Web-site construction earns him a fat paycheck, but does not afford him many opportunities to mingle with the fairer sex.

"Sometimes I pull a 36-hour shift," says Bray. "At the end of it, I'm a little agitated, as it were." ►

Cybertoys

It takes a certain amount of courage (or desperation) to even consider attaching a high-tech, "hydraulic, vacuuming" gizmo to one's genitals.

The tireless technoworker's testosterone-driven "agitation" does not find release at the hand of a willing young lady or even by way of the traditional Vaseline-and-stroke-mag combo. Instead, Bray gets nasty with what he knows best—his provider, his confidante and his best friend: that is, his computer.

* * *

Kelly Bray has downloaded cyberdildonic software onto his hard drive, which allows him to plug his penis into the range of sexual possibilities available over the World Wide Web. Bray's cyberfuturistic get-off of choice is the Robo Suck, an oral-sex machine that resembles an automatic change counter.

"It's really weird looking," Bray admits. "Its like a hydraulic, vacuuming kind of thing. I'd never used a sex toy before, but it looked kind of enticing."

It takes a certain amount of courage (or desperation) to even consider attaching a high-tech, "hydraulic, vacuuming" gizmo to one's genitals, but judging from the dozens of companies now manufacturing products specifically tailored to the cybersex market, Kelly Bray is not alone. Untold Web fiends have gone digital with their sex lives by installing a new generation of erotic tools onto their computers and cozying up with the toys that accessorize them.

The hard-charging Internet revolution has joined forces with the flagging sexual revolution, and the result is a blowjob simulator that can coordinate its sucking motions with those of a virtual floozie in cyberspace.

"I recommend it to all you 21st-century lover boys," says Bray.

* * *

The merger of sex and high technology began when the electrical vibrators were first developed in the late 1800s. A long period of creative stagnation followed, until 1988, when comic-book artist Mike Saenz designed a computer program that allowed the user to control a disembodied hand that massaged an onscreen woman, driving her to a virtual orgasm. Saenz's creation was tailored to the needs of working perverts copping a thrill on the boss's clock—with the click of the mouse button, the sex show could be replaced by phony columns of numbers.

The advent of the Internet made online sex sites the masturbatory aid of choice during the second half of the 1990s. Today, sex-toy manufacturers eager to cash in on the vast consumer market in cyberspace have delivered the next generation of cybersex tools to the smut-hungry public.

TopCo, a traditional sex-toy maker, jumped into the E-commerce feeding frenzy by expanding the movement potential of the standard phallic hunk of vibrating plastic.

"Basically, we've embedded these toys with a microchip," says TopCo head honcho Martin Tucker. "They are completely self-contained, and you can change the rate of pulsation and thrust."

TopCo also employs a full-time chemist in its determined search for realistic-feeling latex skin. TopCo's most recent effort, Cyber Skin, is a material based on a NASA-manufactured polymer.

A company called, appropriately enough, Feel the Net (www.digitalsexsations.com) has invented a sex-toy system that connects to the command port of any standard PC and can be used to issue remote commands via the Internet.

Feel the Net's interface contains a variety of selections for arousal. Intensity can be controlled, and touch type can be set at an "affectionate kiss" or a "hard suck." As many as four toys can be used simultaneously.

The most plentiful source of high-tech sex machines is online warehouse SafeSexPlus (www.safesexplus.com). There, frustrated female consumers can choose from a wide array of newfangled penis substitutes, such as the Deep Stroker II, the Triple Ripple Buttplug and the Anal Invader. For men, the Robo Suck and the Vibro Realistic Vagina are the low-maintenance, easy-to-clean toys of choice. All of the software needed to run these animatronic playthings can be downloaded on the SafeSexPlus home page for free.

Cyberdildonics is an Internet-based system that operates many of these computerized groin grinders. While the term *cyberdildonics* sounds space-age, the concept behind this technology is simple: A small window of light appears on a computer screen. A conventional sex toy that has been modified with a light sensor is then attached via suction cup to the same screen. A remote user can change the amount of light that is sent into the toy, thereby dictating its movements. Traveling salesmen can remotely control their housewives' orgasms, and nymphomaniacs in Utah can connect with perverts in Australia.

Immersion Corporation, based in Northern California, has manufactured a "feelie" mouse that allows a user to touch anything he sees on a computer screen. The mouse, known as the Logitech WingMan Force Feedback, works with a series of mini-hydraulics to replicate a variety of textures.

Web geek clientele in virtual contempt.

"These are men who would never be able to have a girl like me in real life," Nikki says.

For those who consider controlling an online sex partner's dildo to be too much interaction with another human being, elaborate online environments have been developed where singles can log on, hook up and, if they get lucky, engage in an interpretive form of fucking.

Avatar Chat (www.avaterra.com) is a Web site where virtual versions of actual human beings wander the streets of cybertowns. Looking for love in all the high-tech places, Web surfers send cartoon caricatures specifically crafted to represent their appearance and personality into cyberspace, which communicate via thought bubbles that appear above their heads.

Visitors to Avatar's site create an identity—male or female, with a choice of name, skin and hair color, as well as clothing style.

As with any form of cybersex, there's no guarantee that users will represent themselves faithfully. A 90-pound weakling can become a strapping George Atlas without resorting to dumbbells; a size 16 can drop eight inches off her hips without even thinking about a diet.

The Avatar site is known as a chat venue, but the cartoon inhabitants of its virtual towns can also walk, sit, jump, flex muscles and casually don a pair of dark sunglasses. The pelvic thrust and the bobbing head are not yet possible, but may be developed soon.

"We are thinking of setting up an adult site where certain actions may be possible," Avatar exec David Andrews says delicately.

Since the actions to which Andrews refers are currently unavailable, the sexual vibe inside a typical computer-nerd cybertown is a bit stifled.

On a recent visit to a virtual city, a blue Avatar with an elf's head and a striped, pointed hat solicited fellow Avatars with a brusque, "Wanna screw?" A hulking, thick-necked Avatar acquiesced. "Sex" between the elf and the behemoth resembled step aerobics; sans genitals, dry-humping was the raunchiest coupling the two lonely Web surfers could orchestrate with their digital bodies. Finally, the bulky Avatar suggested that the two try E-mail sex. After a few typewritten "oohs" and "ahs," the attempt at online carnal congress was quietly abandoned.

One of the most ambitious additions to the current wave of Internet sex toys is the sex suit, made by XXX video company Vivid. Resembling a cross between a cheap Halloween costume and a leotard, the neoprene bodysuit is equipped with strategically placed sensors that electrically stimulate the wearer's erogenous zones. The sex suit is accessed via remote E-mail transmissions, enabling a suitor in Timbuktu to titillate his lady love in Tripoli.

The sex suit's 36 sensors can be positioned to fit variations in body type and sensual hot spots. The suit currently lacks approval from the Federal Trade Commission, but it has been put through exhaustive rounds of test runs.

"My experience with the suit has been very clinical," says Vivid girl Lisa, the project's brunet guinea pig. "People are always like, 'Did you have an orgasm?' and it's like, 'No, because I was answering questions all the time.' "

The sex suit is capable of sending one of five sensations to the wearer's erogenous zones—tickle, vibration, hot, cold or pinprick, which Lisa describes as "something that feels like a fingernail scratching you; a sort of soft scratch."

Isn't it slightly embarrassing to sit alone in front of a computer screen trying to make whoopie with something that resembles an overly ambitious junior-high-school science project?

"It's a novelty thing," Lisa admits. "It may move to other levels down the line. It's going to evolve as technology improves. I think this is the first baby steps."

With time, baby steps become giant leaps. Given the pace of technological innovation, sexual experiences straight out of science-fiction novels may not be very far away. Knocking boots with a robot, for example, could be a not-too-distant reality.

Matt McMullen manufactures the Real Doll, a life-size mannequin with a fully articulated skeleton and pliant, plastic flesh. McMullen is experimenting with various motors to power the movements of what is perhaps the world's most realistic blow-up doll.

"I have got them to blink," McMullen says with a sly smile. "The problem is that the dolls are so heavy; so it takes a powerful motor to power them. Most animatronics work with giant hydraulic systems. We need to find a motor that is small and quiet but extremely powerful.

"I think it would be cool if they could walk and talk," McMullen says, "get up and make me a sandwich, do my laundry." Until then, the former special-effects artist, along with the people who buy his dolls, will have to be satisfied with a heavy, sticky, somewhat passive

"I've been rubbing my love button all afternoon," the skinny-dipper admits, fingering her weeping twat. "I've squirted a gallon of cunt juice into their precious pH-balanced water."

Moist skin squeaks as Deb's breasts heave against her inflatable raft. The water sprite's stomach tenses as another orgasm seizes her body. Her vage releases errant, yellow spills into the clear, blue water. Remorseless, Deb continues her aquatic jerkoff. "Fuck 'em," she mutters. "A little pussy juice never hurt anybody."

HUSTLER HUMOR

At Sunday Mass, two beggars stood outside the church with paper cups. One of the bums wore a Star of David around his neck; the other sported a crucifix. As the parishioners filed out, they invariably passed by the Star of David and gave to the man wearing the cross.

The priest approached the one who wore the Jewish symbol. "Listen, you!" the cleric barked. "My flock would rather give to its own; why don't you move on?"

The bum wearing the star grinned and called over to the one with the crucifix, "Hey, Moishe! This *yutz* wants to tell us how to run our business!"

Question: Why do men like blowjobs?

Answer: Because it's the only time they can get something straight in a woman's head.

A girl was pregnant with her first child. As the obstetrician examined her, the patient shyly ventured, "My husband told me to ask you something."

The doctor looked up from his work. "I hear it all the time," he said, "and the answer is yes, of course you can have sex, almost until the baby is born."

"That's fine," the woman responded. "But I'm supposed to ask if I can still mow the lawn."

Howard finally found the nerve to break up with his fiancée, Louise, and marry somebody else. He let the ax fall over coffee.

Louise was distraught. "Can this new girl cook as well as I can?"

Howard shook his head. "She can't even boil water."

"Is she prettier than me? Thinner?"

"Not really," Howard said. "You've got her beat there."

Louise nodded, tears clouding her eyes. "It's the sex, isn't it?"

Howard shrugged. "You're twice the lay she is."

"Then what is it?" Louise demanded. "What can she do that I can't?"

Howard sighed. "She can sue me for child support."

After Tina's 18th birthday party, Tony took the virginal maiden upstairs to give her a special present. When they were alone in her room, Tina unwrapped his gift: a Trojan and a small jar of Vaseline. The young birthday girl blushed, and the two sneaks started making out.

"What do I do with the rubber?" Tina whispered.

"Put it on my dick so I can get in," hissed Tony.

The virgin complied. "All right," she said. "What about the Vaseline?"

"Put it on the doorknob so your folks *can't* get in."

The HUSTLER Dictionary defines *mud pie* as: the snatch of a girl who wipes back to front.

Kevin's wife was on the rag, but still up for some hot, sweaty 69.

While they thrashed around, the doorbell rang. "Answer it," the woman moaned. "I'm expecting a package." Kevin pulled his mouth from his wife's bleeding gash and threw on a robe, grumbling.

Answering the door to find a guffawing courier, the frustrated fucker caught his own reflection in the hallway mirror. His face was a clotted, bloody mess.

Embarrassed, Kevin told the driver, "It's jam. I was just eating a jam sandwich."

"I wasn't laughing at the jam on your mouth," the deliveryman grinned. "You've got peanut butter on your forehead."

When Sister Margaret died and went to hell, she phoned Saint Peter and said, "See here. This is Sister Margaret. There's been a terrible mistake."

The nun explained her situation, and Saint Peter promised to get right on it. The next day, the sister didn't receive any messages; so she called Saint Peter again. "See here," she said. "This is Sister Margaret. Kindly remove me from hell today; there's some kind of fiendish orgy planned for tonight."

The Saint reassured her that the proper papers were on their way.

The next morning, Saint Peter received another call from hell. He picked up the receiver. "Hey, Pete? Maggie. Never mind!"

OGLING A XXX PHOTOGRAPH OF A 12-YEAR-OLD GIRL CAN LAND A MAN IN PRISON, BUT CHECKING OUT NON-NUDE TEEN WEB SITES OFFERS A JAILBAIT-QUALITY PEEP EXPERIENCE THAT IS PROTECTED BY THE FIRST AMENDMENT. MODERN-DAY HUMBERT HUMBERTS CAN VISUALLY DEVOUR A SMORGASBORD OF CHILDLIKE INNOCENCE ON DOZENS OF "CHICK-CLICK" WEB PAGES. TAKE A PEEK AT WHAT'S GOING ON

ONLINE.

One of the basic rules of the Internet smut business is that sex stimulates both penises and profits. Consequently, the most lucrative corners of the World Wide Web showcase the nastiest possible product: Pissing, double anals, splooge showers and gang-bangs are common moneymaking online attractions.

Belying this maxim are a number of increasingly popular, PG-rated girlie pages that are devoid of tits and ass but replete with coy preadult sexuality. Non-nude teen Web sites occupy an online niche somewhere between *Teen Beat* magazine and HUSTLER'S BARELY LEGAL, teasing around one of society's biggest no-no's—child pornography. ➤

Teen Sites

In another snapshot, a girl who appears to be no more than 12 years old sits on the toilet, presumably pissing; she grins with her knees together and her chin on her fists.

Chris Lee (a pseudonym) is the 21-year-old founder of NonNude (www.nonnude.com). Lee believes the proliferation of teen Web sites is dictated by the simple law of supply and demand.

"There are a lot of those adult Web sites out there; it's mostly really hard-core stuff," says the Seattle resident. "The traffic I get is nothing compared to the adult sites; but people want the choice. I offer an alternative."

TeenBeauties: The Inspirational Teen Site (www.teenplanet.org), is a fairly typical underage sleaze site. On the TeenBeauties home page, a tan, young, attractive girl, still sporting the peach fuzz of adolescence, bites her lip seductively. Some of the site's clickable snapshot galleries are grouped by body part: Teen Feet; Teen Belly; Teen Butts; Teen Tongues. Other collections of photographs include Teen Cheerleaders, Soccer Teens, School Outfits and Teen Latina.

At a sister site, TeenBeauties: Girls on the Web (www.teenbeauties.net), the photographs range from the mundane to the shocking. On the innocent side of the spectrum, a photo-booth print shows a pair of girls with braces, arm in arm and smiling; in another, a pair of teenagers wearing tank tops and shorts stroll at an amusement park; one girl consults a map.

Less innocent is a shot of a youngster perched on an inner tube at a water park; her wet bathing suit is pulled taut over her nipples and suctions into her belly button. In another snapshot, a girl who appears to be no more than 12 years old sits on the toilet, presumably pissing; she grins with her knees together and her chin on her fists. A pair of Japanese schoolgirls wearing red-tartan skirts and white blouses pose together in another photo. One ingenue smiles as the other girl reaches around from behind and squeezes her tiny breasts.

Chickpage (www.chickpage.com) runs a disclaimer on its home page: "You will not find any nudity or pornography here!"

A perusal of its contents, though, indicates that Chickpage may be playing fast and loose with the term *pornography*. The site features a Cleavage and Bra gallery, where young girls smoosh their budding breasts together. In Chickpage's Panties section, a girl is shown with her pants down around her knees. Another is spread-eagled on a bed wearing only a bra and underwear. One girl lifts up the back of her plaid skirt to show off her ass, barely covered by white panties.

Since teen sites are non-nude, they are thought to be nonpornographic and therefore not subject to child-pornography laws.

Though TeenBeauties: Girls on the Web takes pains not to show any actual nudity, the sexual nature of the site is apparent. The site is sponsored by www.sextracker.com, a virtual sex mall that indexes more than 24,000 adult Web sites. The presence of explicit ads implies that non-nude teen Web sites are in fact pornographic—if not in content, in context.

Nonetheless, Lukas Bednarik, the 20-year-old Web master behind the Toronto-based TeenBeauties, insists that his Web domain is innocent, age-appropriate entertainment.

"I wouldn't classify it as adult material," Bednarik says. "You could look at it that way; I don't know."

Bednarik dismisses the notion that the people who visit his Web site are hard-core sex consumers. However, adults rove these sites, leaving the footprints of their online presence in the form of E-mail exchanges and posts on message-board confabulations.

"What they think about, I don't know," Bednarik says. "Obviously, some people are perverted. I can't help that."

Bednarik is 20, only two years removed from being jailbait himself; but the average age among non-nude teen Web masters appears to hover around 16. Given this fact, it's possible that the seemingly disturbing teen-tease sites are an innocent manifestation of young boys showing a healthy sexual interest in young girls.

Adults, of course, are represented among both Web surfers and site operators; overall, non-nude teen Web sites appear to be the domain of youngsters, with a sprinkling of grown-ups, much like a Scout troop.

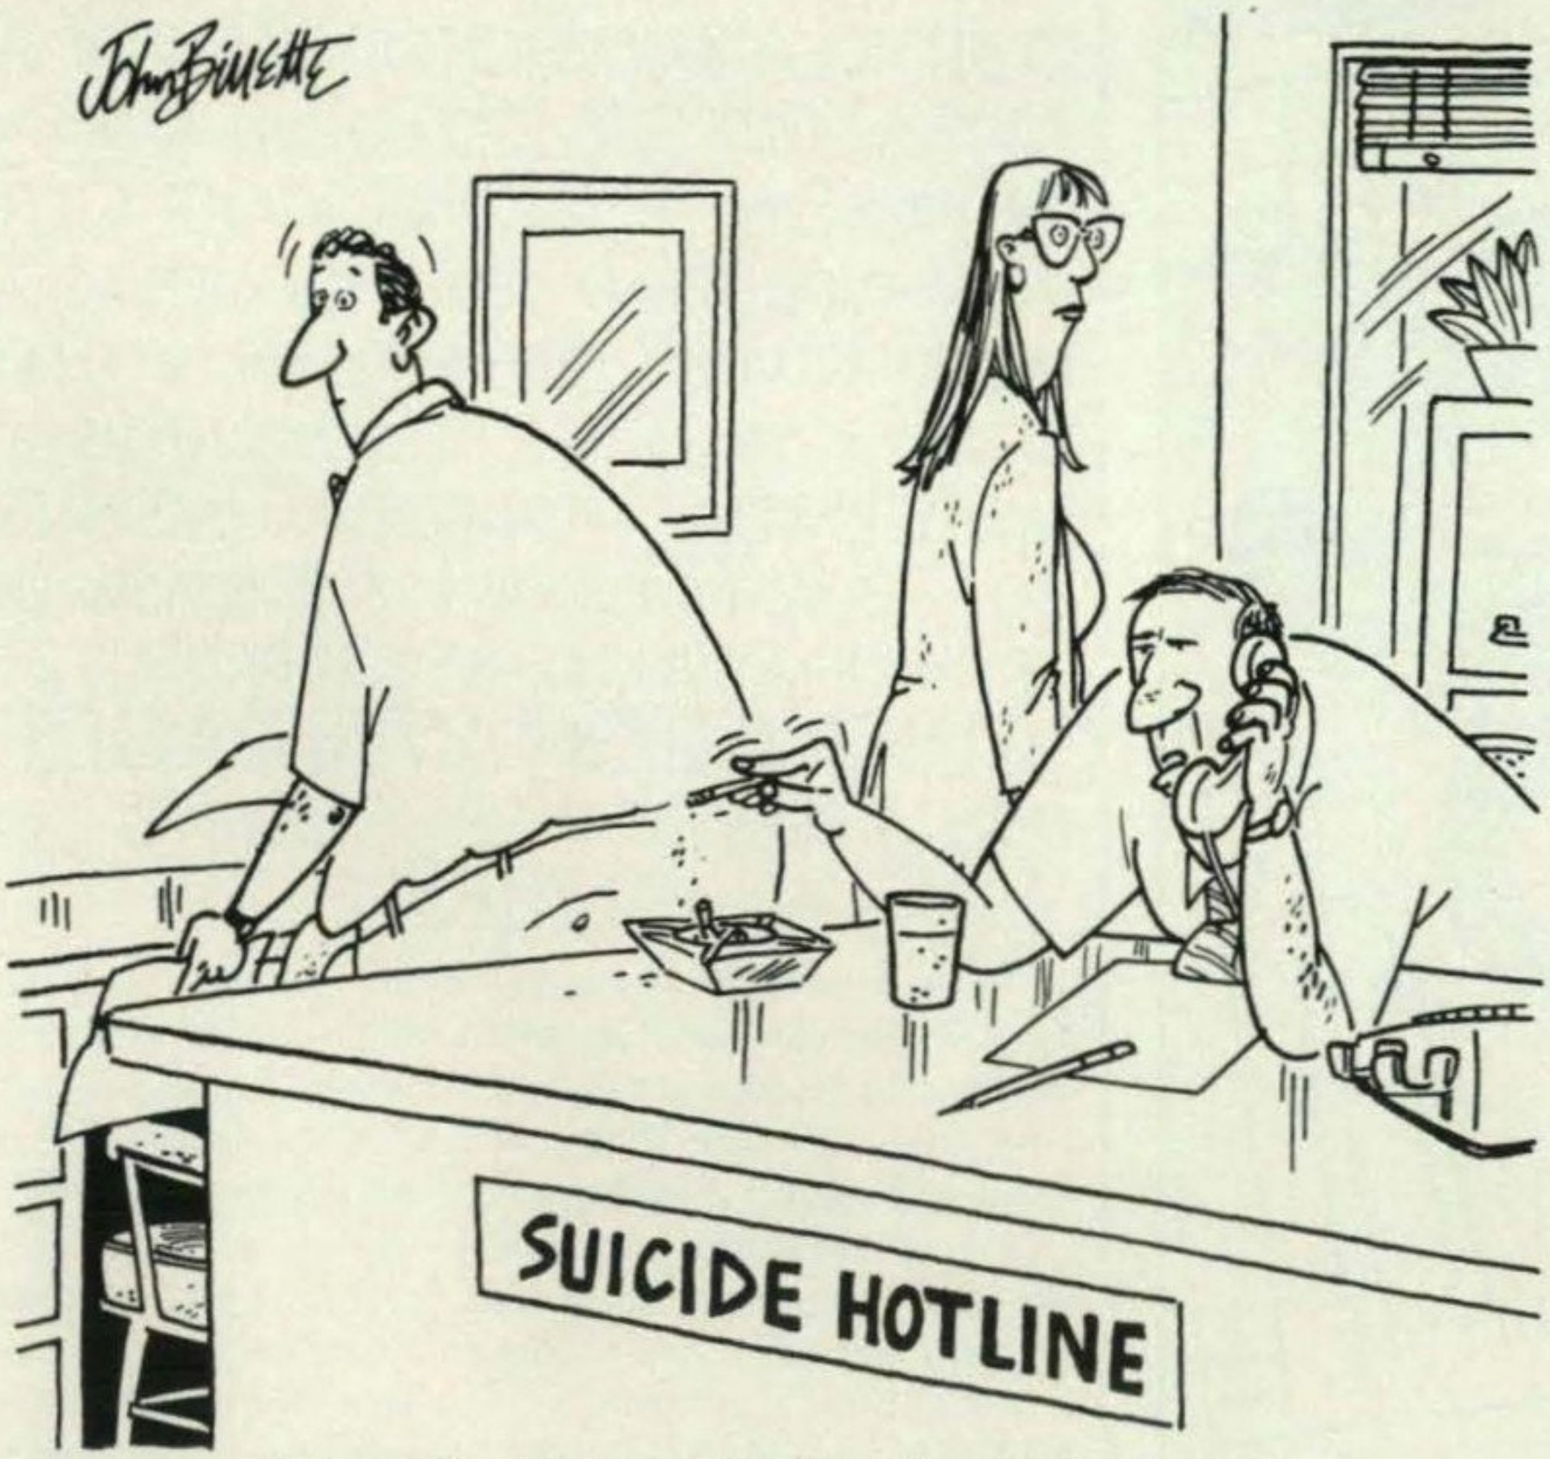
* * *

The Internet of the acne-prone starts somewhere in the neighborhood of Butterfly Island (www.butterflyisland.com), a fantasy Web site designed for young girls. On a recent visit, the site ran no banners, and a digital counter at the bottom of the home page had not yet reached 50,000.

On the animated digital cartoon, pulsing butterflies hover over the mountains, foothills and beaches of a tropical paradise. Clicking on a butterfly opens a window to photographs of costumed young girls enacting fantasy adventures. One youngster is a secret agent, another is a space rebel; other tikes portray elves and mermaids. Among the models who pose for the photos, one face recurs often, a 15-year-old girl known by her screen name, Jennifer.

Jennifer's Hangout is a Web site linked to Butterfly Island that features Jennifer exclusively.

In her hangout, Jennifer is often wear-



"Personally, I'd go with the .22 caliber. It's less messy."

"If you hears screaming and a sound like a cunt be ripping, don't pay it no never mind!"

Teen Sites

"We know that there is a certain amount of dirty-old-man traffic that is gonna come through. If I get any E-mail that I find even slightly disturbing, it's, like, 'Hey, FBI.com, here you go.' "

ing a bikini, sometimes with the straps pushed down her shoulders. In other photos, she accentuates the bulge of her young breasts with her arms.

On the site's home page, Jennifer poses in an animated cartoon bedroom, which includes clickable pieces of furniture, each leading to galleries of photographs. On a nightstand sits Jennifer's online bio, which reveals that she is a Scorpio, weighs 101 pounds and stands 5-2, which she concedes is "kinda short for a model, but good things come in small packages." The young lady's measurements are 34B-26-35.

In addition to the main page, Jennifer's Hangout has a pay site, as Jennifer herself explains on her membership page.

The membership area contains some behind-the-scene QuickTime videos and wav file greetings (coming soon) as well as other neat stuff you won't find anywhere else.

There is no nudity and never will be so please don't ask. We are always open to costume ideas. Let us know. And please, be respectful!!! *Luv, Jenn*

"We know that there is a certain amount of dirty-old-man traffic that is gonna come through; so we deal with it," says Lou, the Web master of both Jennifer's Hangout and Butterfly Island. "If I get any E-mail that I find even slightly disturbing, it's, like, 'Hey, FBI.com, here you go.'

"If they say, 'I want to see her naked,' I say, 'Wouldn't we all?' " Lou adds. "But that's not what we're gonna do here."

Lou's not-entirely-critical attitude toward pedophilia may stem from the fact that it's good for business.

"Jennifer's Hangout right now is generating all of our income," Lou says. "And it's from guys who want to see this pretty girl in her bikini, and we're using that money to fuel Butterfly Island. The irony is that all of these dirty old men are paying for this thing which is gonna benefit girls."

Also, Lou admits that he is among Jennifer's admirers.

"Jennifer is one of the most beautiful creatures ever to grace the Earth," he gushes in a portrait gallery. Elsewhere in Jennifer's Hangout, he adds, "She has the type of beauty that is in the league of Grace Kelly, Gwyneth Paltrow or Ashley Judd."

Lou says that Jennifer is his next-door neighbor and that Jennifer's mother is fully aware of the photographic relationship he has with her daughter.

* * *

On the World Wide Web, adults and minors come into uncomfortably close contact, perhaps because that contact is thought to be virtual and therefore harmless. Nonetheless, the fact that adolescent girls far below the age of consent pose provocatively for the camera is alarming to some observers.

"Photographs are used by pedophiles basically like currency," says Jack Samad of the National Coalition for the Protection of Children and Families. "The intent of producing it is to purchase other photographs from other pedophiles."

Samad fears that child molesters will misuse the photographs they find on teen sites to induce children to commit lewd acts.

"In a child's mind, they assess, 'Well, golly, if it's shown in a picture, then it must not be illegal or wrong,' " Samad says.

On the other side of the ideological spectrum, First Amendment activists vigorously defend the teen sites.

"This is a free country, and it's great if some teen, not being forced against their will, wants to act provocatively on the Web," says David Wasserman, a First Amendment lawyer and board member of the Free Speech Coalition, an adult-industry group. "Instead of talking dirty on the telephone, it is being able to show yourself audiovisually on the Web. Times have changed, and people just have to learn to accept that."

Web surfers seem eager to embrace such shifts in society's moral compass. Estimates of the number of non-nude teen Web sites range from 200 to more than 1,000. The Non-Nude Coalition (www.n-n-c.com) alone contains links to 428 such sites.

Lukas Bednarik of TeenBeauties: The Inspirational Teen Site had trouble finding an Internet service provider willing to accommodate the volume of Web surfers that stream to his site, which had to move five times in a two-month period, due to traffic overflows. "It's pretty crazy," Bednarik says.

TeenBeauties claims to receive some 10,000 unique hits per day and double that number when return visits are included, but Bednarik has not yet found a way to cash in on the E-commerce bonanza, primarily because he's had difficulty attracting sponsors.

"Advertisers are not too keen on the content," says Bednarik. "Teen Bra and Panty—that's a problem. I figure most of the advertisers are, like, parents, and when they see teens on the site, it's almost like it's their own children."

SUMMER & AUSTIN HARDER, FASTER

PHOTOGRAPHY BY MATTI KLATT

Austin and Summer should never have survived their freak parachuting accident. Thanks to experimental medical procedures, the perfect couple have been cybernetically rebuilt and are ready to give their retooled bodies the ultimate test-drive.

"You look great," Austin marvels. Under the watchful eyes of their science-minded saviors, Austin samples Summer's souped-up twat. "You taste even better."

"Your cock is twice as stiff as it used to be," Summer observes as Austin's prick cleaves her moistened gash and lab-coated techs scribble notes onto clipboards.

The screwing duo accelerates to a furious fucking blur. Observers scramble as gauges go through the roof. Austin fires a bionic blast of splooge at Summer's beaming face. "Holy shit," Summer gasps. "That's what I call a six-million-dollar bang."

Teen Sites

"I don't take these pictures, right? These girls do themselves. They obviously pass them along. They're showing their friends; so what I'm doing is showing 20,000 of my friends every day."

founder of ChickPage, has also encountered trouble stemming from his site's subject matter.

"I was doing pretty good off of [my Web site], but I lost one of the advertisers, due to content," says Thompson, who holds down a day job at a department store. AdCast, a banner brokerage, removed its ad from ChickPage's main page.

"They said, 'It's not something our advertisers are looking for,' " Thompson says. "Now I'm down to probably $400 a month."

Almost every single underage-girl site contains some form of advertising, most often from explicit sex sites. Mainstream companies, such as MTV, the *Wall Street Journal* and *Sports Illustrated*, also run banners on non-nude teen sites. Advertisers often have no contact with the Web sites that run their banners; it's entirely possible that the august *Wall Street Journal* doesn't even know that it's advertising on Web sites that openly tease rigid cultural taboos.

* * *

Most teen-site Web masters claim that the snapshots come from the girls themselves; some admit to shooting the photos surreptitiously and to stealing them from other Web sites.

"A lot of them are donated by just regular people stopping by," says Non-Nude's Chris Lee. "Some of them I grab off of news groups and stuff like that. And nowadays, a lot of them are from amateur models who are trying to get exposure."

"It started off with the girls giving them to me," explains ChickPage's Eric Thompson. "Now I just play games all day and do my homework, 'cause I go to school. Then I just check my E-mail, and there's, like, a meg or so of pictures a day. I just sort through those, pull out the good ones and stick those up."

From time to time, a young lady who never consented to have her photograph taken discovers her smiling mug in an Internet sleaze gallery.

"Some girls have E-mailed me [saying] they're not happy about [being included on his site]," says Bednarik. "Some say, 'I look like a slut up there,' though they're non-nude. I used to have porn banners to make some money; that was the problem.

"I don't take these pictures, right? These girls do themselves," Bendarik adds, both defensive and persistent in rationalizing the way he exploits strangers. "They obviously pass them along to someone, and that person passes them along to someone else. They're showing their friends; so what I'm doing is showing 20,000 of my friends every day. That's how I look at it."

Teen-Place (www.teen-place.com) has a policy of removing photographs the moment there is a complaint.

"I know that if there were photos of me floating around the Net without me knowing, I would be greatly disturbed," a Teen-Place administrator explains in an E-mail.

Ethics aside, surveillance appears to be a favored means of accumulating content for teen sites.

Jogbraspy (so-named because females in jogging bras are his favorite subjects to film) has been posting snapshots on non-nude Web sites since the summer of 1998. Jogbraspy prefers to gather images of attractive underage girls by filming them with his compact camcorder and then using his home computer to lift stills from the video footage.

"When I film, my camera is in plain view; I just make sure to go to areas where cameras don't look all that out of place," Jogbraspy explains via E-mail. "Most do not know the camera is running as they are being filmed. If anyone I have filmed has seen themselves on the Internet, I have not heard anything about it."

A typical Jogbraspy photo-shoot exposes a nonconsenting young girl in a public place, zooming in on her ass and her crotch.

A missive from Taper on the TeenBeauties: The Inspirational Teen Site message board reveals the depths to which voyeurs will sink in pursuit of questionable shots of underage girls.

I have a video of my neighbor's hot 15-year-old daughter. I filmed her many, many times while she was sleeping in tight shirts, loose-fitting shirts, dresses that were raised high up her legs with her legs apart and short-shorts. She is never nude, and there are no pornographic shots. Plenty of close-ups of legs and her tight blouses though. Has anyone else out there done this?

Atopine later bites on Taper's query.

TAPER, I am very interested in your video; if you are willing to make a copy, I can give you a copy of my video of my neighbor and friends changing in her room. Please contact me via E-mail.

Online correspondences on some message boards reveal the darker corners of the teen-sex-object subculture. One heated thread revolved around a supposed pornographic video of underage girls. The thread picks up with Method Man.

A few persons have asked about what is

* * *

Norman Nie, a political scientist at Stanford University, believes that there's something sad about taking an automatonic lover.

"The more hours people use the Internet, the less time they spend with real human beings," says Nie, who conducted a large-scale analysis on the societal impact of the Internet.

Nie's study conceded that communities have been created online, but he believes that computer-mediated forms of interaction are not likely to make up for traditional human relationships.

"When you spend your time on the Internet, you don't hear a human voice, and you never get a hug," Nie says.

An August 1998 study conducted by Carnegie Mellon University also suggests that the Internet may have adverse social consequences. The study found that people who spend even a few hours a week on the Internet experience higher levels of depression and loneliness. Perhaps the proliferation of cybersex toys is a sign of increasing social alienation.

"I don't think that's true," says VR Innovations's Eric White. "People are interacting more honestly and more openly with each other. That's not alienation—that's safety.

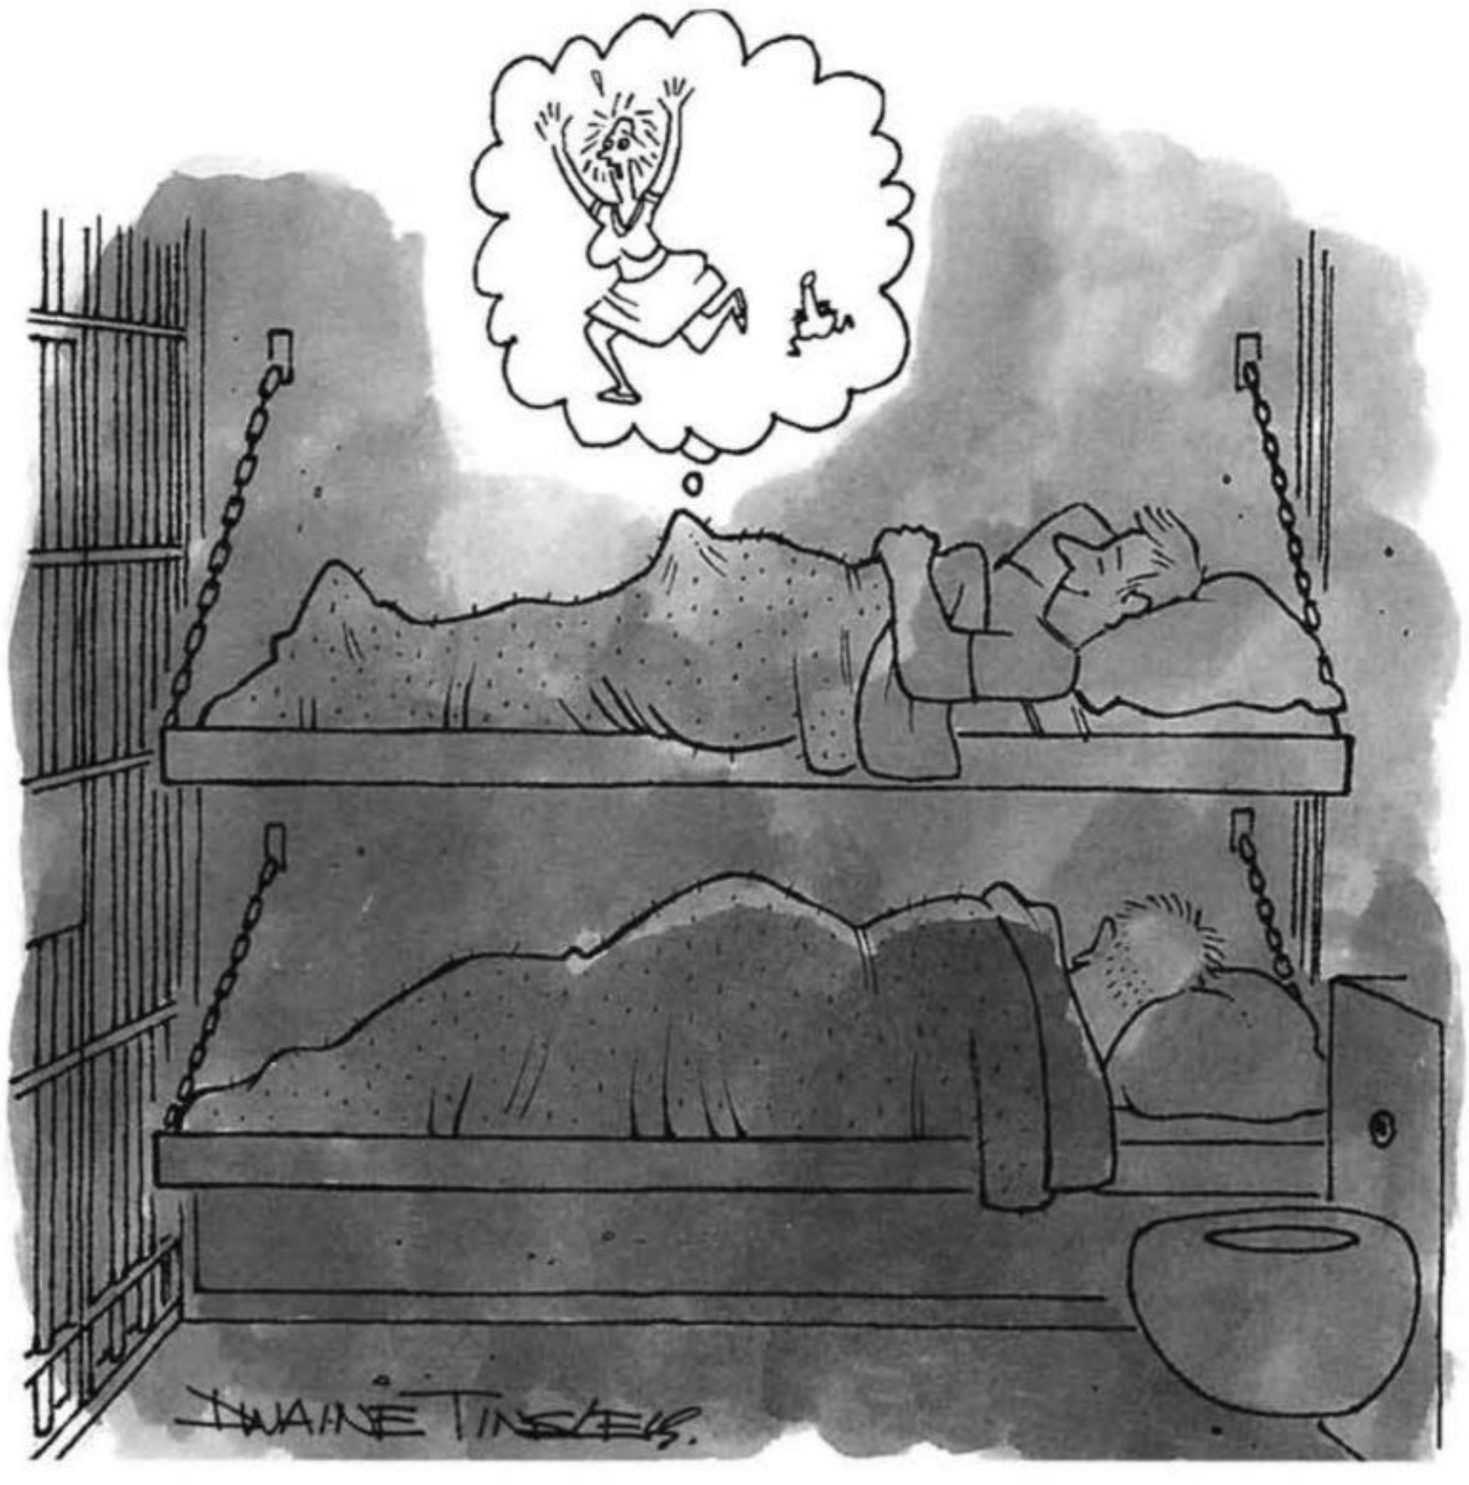
"Everyone who has access to a computer has wanted to have sex with it at some time or another," White adds.

Chat host Cheyenne believes that the anonymity of the Internet allows people to be more true to their sexual selves.

"It's a positive change for people on the whole, because it's helped promote sexual awareness, openness and well being," Cheyenne says.

It is natural for people to care about appearances—weight, race, age, bra size. On the Net, none of this matters, or, at least, such factors can be manipulated to accommodate personal tastes. It can be argued that cybersex is a symptom of alienation, but it could also be the triumph of privacy. An online sleaze consumer never has to confront a disapproving stare at a newsstand and, in fact, never has to confer with society at all when it comes to his sexual preferences. Online, anyone can be into any kind of freaky shit they like without the fear of face-to-face condemnation.

Even so, and even anticipating that the coming years will bring exciting technological advances, it's hard to imagine cybersex taking the place of good old-fashioned hanky-panky. As cyberdildonics enthusiast Kelly Bray himself admits, "Ain't nothing like the real thing, baby."



Teen Sites

(continued from page 107)

Dee&Desi. I have heard that there are some movie clips out there (approx 50 min. in total) of these two girls. Their age is around 15. There is nudity where they kiss and strip. They even give a guy a B-Job.

Atomic Frog, who runs the message board, corrects Method Man.

15? More like 12 or 13.

Bear jumps into the thread.

Where can I find this movie?

JadeGhost chimes in.

Are there any pictures, even n/n, of Dee and Desi? Anyone with info please E-mail me.

Minime brings the message board dwellers to their senses.

I don't know if you people are naive or what but guess what? You can go to jail for possessing such things. Am I wrong?

Sally logs on to concur.

Possession puts you in jail. Absolutely no doubt. Stay away.

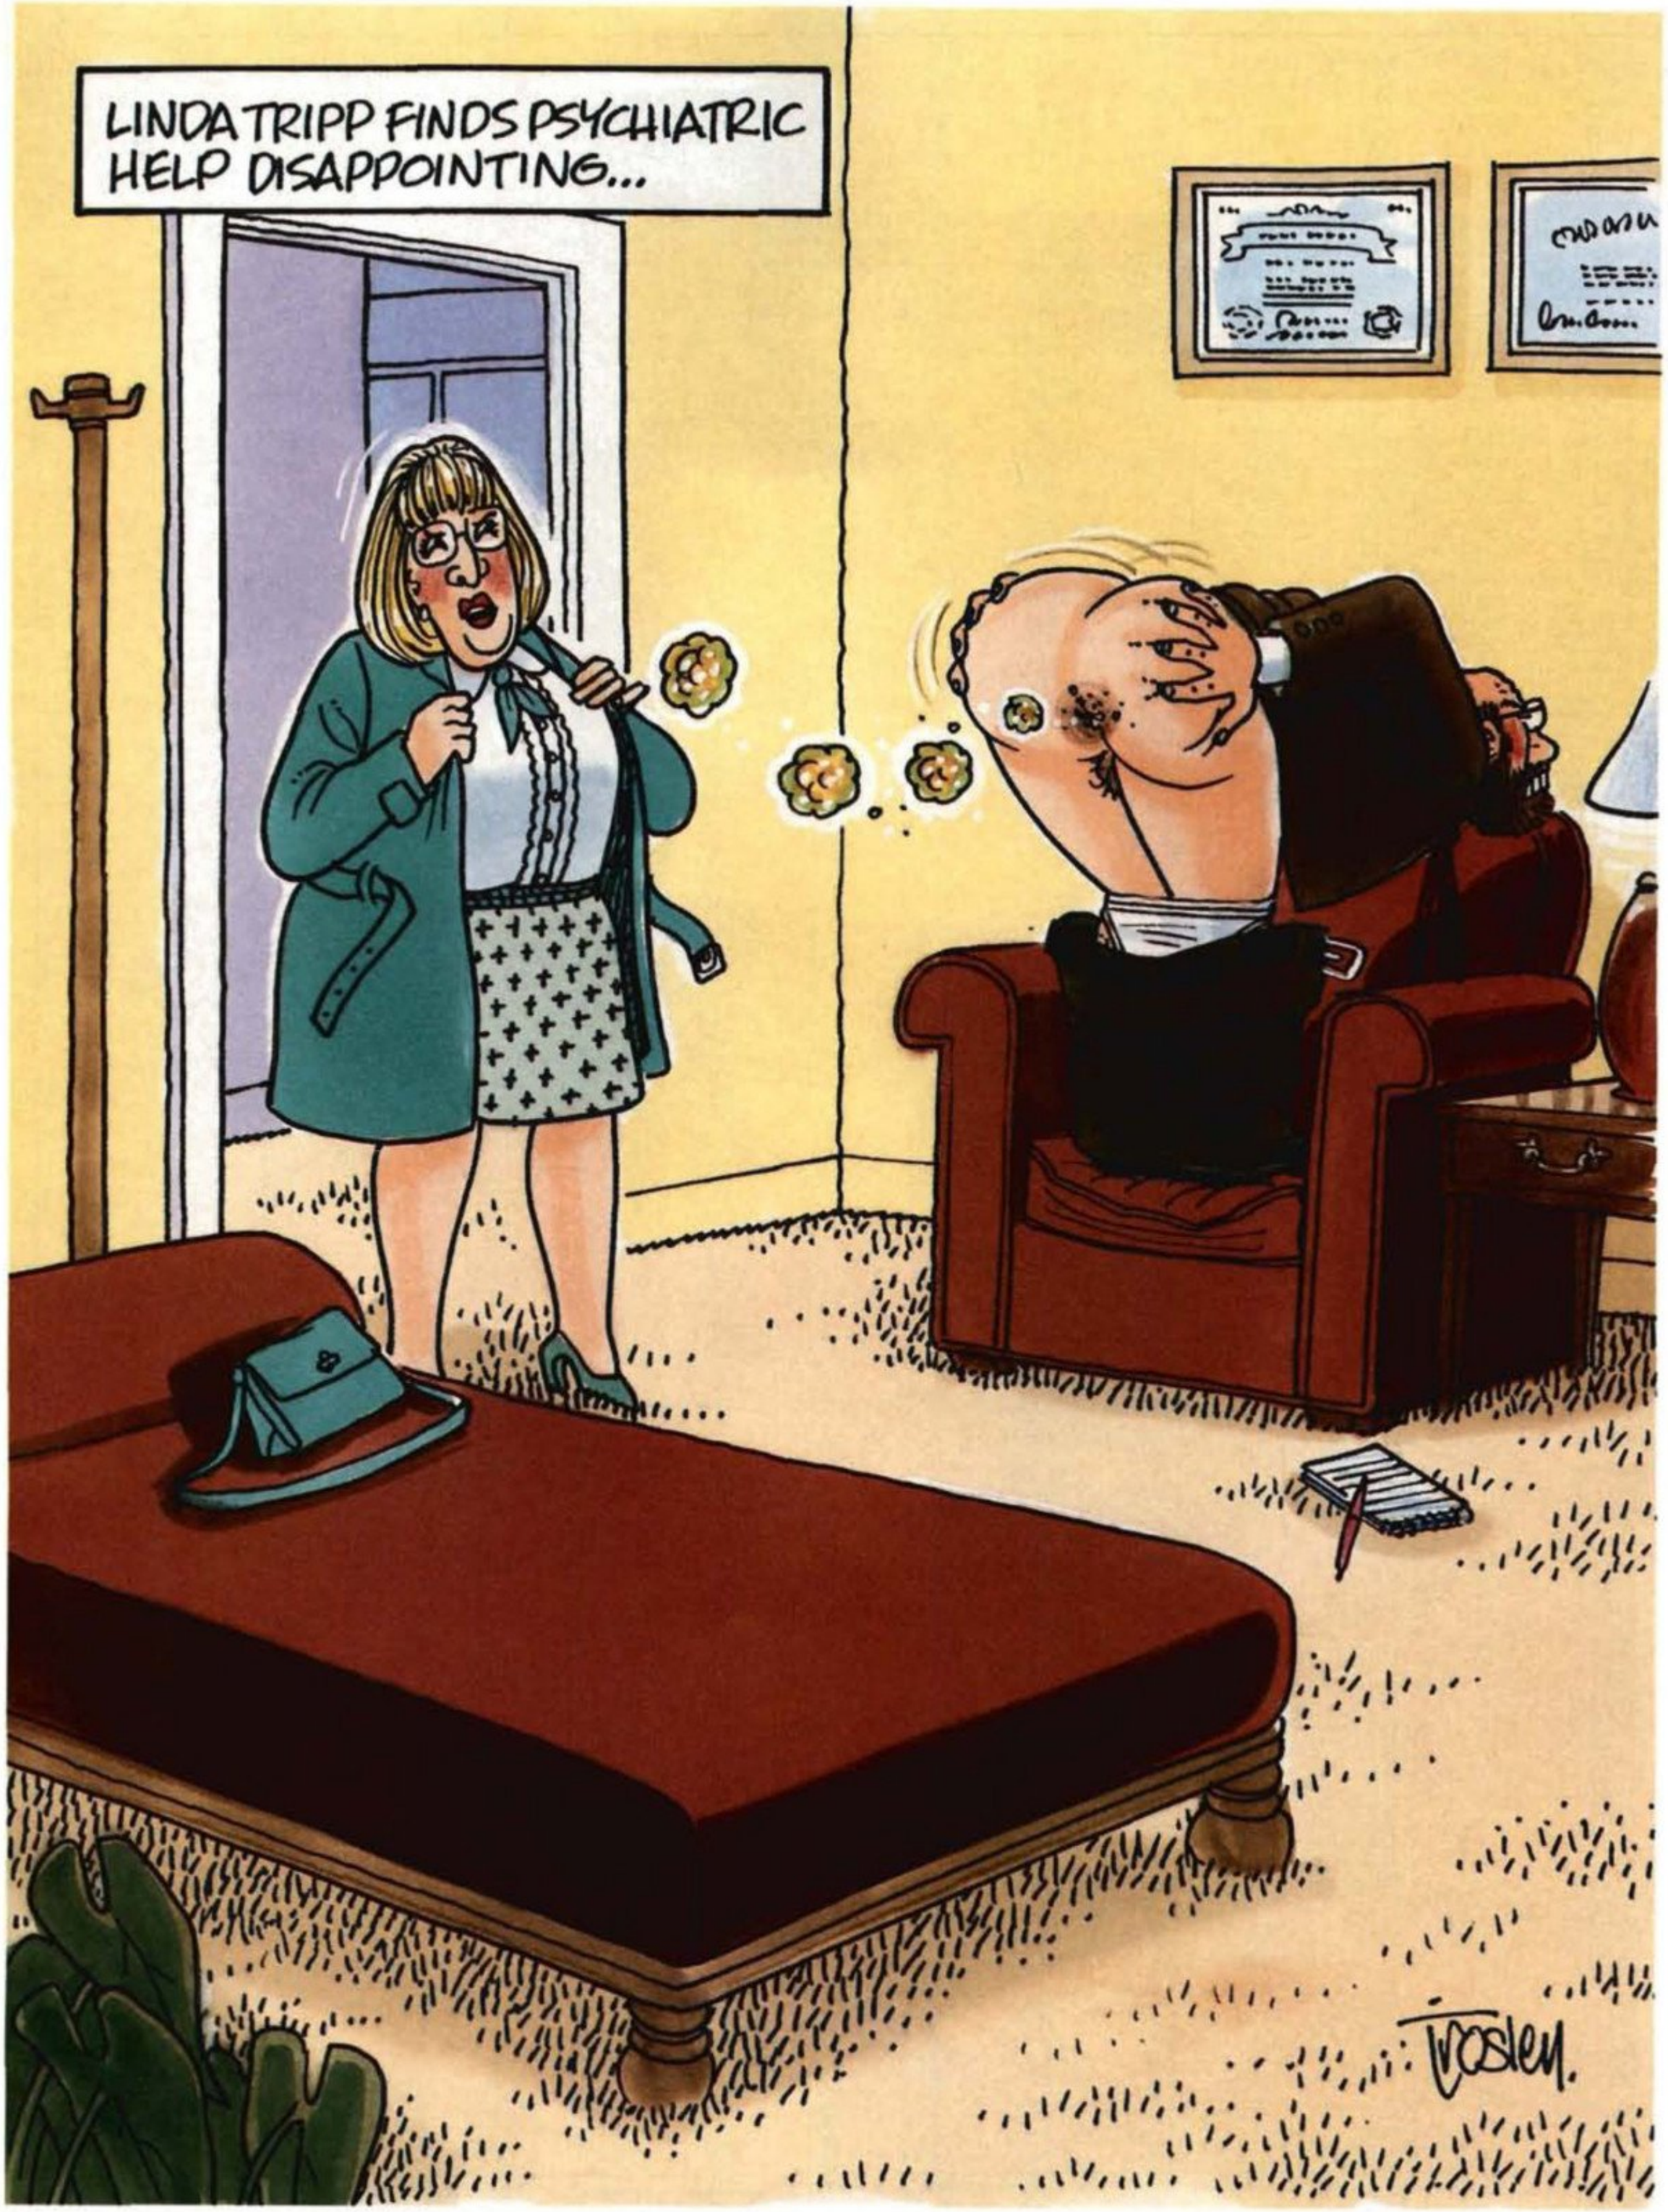
Possessing videos of 12-year-olds giving blowjobs is clearly against the law, but non-nude teen sites are legal. Any attempt at outlawing teen Web sites runs up against a First Amendment wall; banning non-nude teen-sleaze sites is tantamount to banning all underage girls from appearing online. Not all forms of online teen sleaze are afforded Constitutional protection though.

High-tech horndogs have found ways to use graphics programs, such as Adobe Illustrator, to morph innocent photographs of minors into jackoff fodder. An image of a young girl can be manipulated to remove clothing, add flesh tones and draw in genitalia. Photo-realistic images of children engaged in sex can be created from scratch. Hard-core adult-nudie pix can be modified to make the subjects appear prepubescent.

The Child Pornography Prevention Act (CPPA) of 1996 made all such forms of simulated child pornography illegal. After a pre-enforcement challenge mounted by the Free Speech Coalition, parts of the CPPA were struck down. It is now legal to generate images of fictitious children engaged in imaginary but explicit sexual conduct. However, computer-altered child pornography that involves identifiable minors can still land a man in jail.

David Wasserman fears that the fight over the CPPA is not over; he expects to see more attempts to restrict online expression in the future.

"It is truly bizarre what has happened to our First Amendment rights," the free-speech expert says. "In the name of protecting the children, we've given up our children's freedoms for the future."



"There are other ways, Doctor, of letting a patient know that her hour is up!"

FEED YOUR PENIS
Or It Will Let You Down!

Mephisto's 15 years of research has led to the development of over 100 products that make sex fantastic! The following formulas are sold exclusively by Mephisto, and are guaranteed to contain the freshest, finest milled compounds available on the market today, with no fillers.

SUPER MALE ERECTION PILL

This formula not only increases blood flow to the penis, it also boosts sperm production, and raises energy and endurance levels. But best of all, it intensifies the pleasures of sex and gives you a *bigger bang when you ejaculate.*

☐ 90 Day Supply $19.95 + $3.05 Shipping & Handling
☐ 180 Day Supply $34.95 + $4.05 Shipping & Handling

☐ 60 Tablets $19.95 + $3.05 Shipping & Handling
☐ 120 Tablets $34.95 +$4.05 Shipping & Handling

SUPER SEXUAL ENERGY TABLETS

It's not a phoney caffeine stimulant! But contains four energy building factors including fast absorbing B-12, and the South American herb Guarana, giving you sexual energy and endurance to go for hours.

☐ 100 Tablets $19.95 + $3.05 Shipping & Handling
☐ 200 Tablets $34.95 + $4.05 Shipping & Handling

PROSTATE STRENGTHNER TABLETS

☐ 60 Tablets $19.95 + $3.05 Shipping & Handling
☐ 120 Tablets $34.95 + $4.05 Shipping & Handling

MEPHISTO'S NEW ERECTION GUM

Enters your system twice as fast as Viagra. Simply chew a stick 30 minutes before sexual activity, and let the ancient oriental formula increase blood flow to your penis, making *it stronger to last longer,* while intensifying the pleasure of orgasm for both of you.

☐ 10 Erection Pack $9.95 + $3.05 Shipping & Handling
☐ 50 Erection Pack $39.95 + $3.05 Shipping & Handling

PILL MAKES HER HORNY

This formula was originally developed to ease P.M.S., that once a month bitchy period, but it has a surprising side effect; it makes women crave sex, even *if they haven't had* those cravings in years!

☐ 50 Tablets $19.95 + $3.05 Shipping & Handling
☐ 100 Tablets $34.95 + $4.05 Shipping & Handling

EMBARRASSED

BECAUSE YOUR PENIS IS SMALL?
IT DOESN'T HAVE TO BE

ALL PHOTOS ARE UNRETOUCHED AND ARE OF THE SAME PENIS IN A 20 MINUTE TRIAL PERIOD.

With the European Pulsating Penis Growth System, 9 out of every 10 men show permanent gains on average up to 5 3/4 in. Acceptable for ages 18-74, penis enlargement systems have been considered "Simple, Safe and Effective" by the U.S. News And World Report. (8/24/92) No prescription is needed, and is a highly recommended treatment for small penis size, impotence and pre-mature ejaculation over any risky and unneeded cosmetic surgery. This pump growth system utilizes a 100% pure vacuum tight seal and is one of the only European systems equipped with a vibrating chamber that will slide up and down your penis while you watch it grow. This growth and enlargement system also can increase the amount of ejaculation fluids by 50%.

IT'S A FACT: ANY MAN, ANY AGE, ANY RACE CAN ACHIEVE A LONGER, THICKER AND HARDER ERECTION.

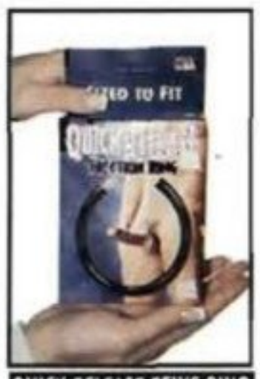
State-of-the-art flexible and protective tubing for maneuverability
Locking purge valve for easy shut off to maintain a 100% vacuum seal.
Easy-to-use hand pump
Clear, strong and sturdy clear passage entry system provides excellent visibility so you can watch your penis grow.
Vibrating bullet with Swedish Erotica Battery Pack
Smooth black latex provides a complete vacuum seal, comfort and "vagina like feeling"

HOW TO ENLARGE YOUR PENIS - THE BOOK

This book contains tips and techniques proven to help you reach your growth potential. Unlock the secrets that will give you the confidence that you deserve and desire.

PUMPER'S LUBE

A non-petroleum formula that is safe to use with any pumps seals, including those made of rubber, vinyl and latex. Use with the European Growth System for MAXIMUM SUCTION POWER!



QUICK RELEASE PENIS RING

After use with the European Penis Growth System, the Quick Release Erection Ring will keep the tissues and caverns in your penis filled with blood for as long as you wish, maintaining your powerful erection.

SCIENTIFIC RESEARCH PROVES LURE'S NEW SCENT
ATTRACTS OPPOSITE SEX

Now YOU too, whether a man or a woman can become a wanted and desired sexual person. "IT REALLY WORKS"

Recently, NEWSWEEK magazine reported the discovery of a pheromone that highly attracts the opposite sex. Lure, a highly arousing scent, contains large amounts of Alpha Androstenol, the sexual signaler that will make you irresistible. Pheromones send out silent, subconscious scentsignals to the opposite sex that naturally trigger romantic feelings. The scientifically designed pheromone-based fragrance provides you with one of the most precious and powerful forces of nature. Lure is working for you.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches. **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7½ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement. For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**

Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Includes the exclusive Dr. Bross clear injection molded cylinder for easy cleaning. **Reg. $260.00 now only $79.95**

Neve Bed Head

PHOTOGRAPHY BY BOB TWIGG

Simple, sensual pleasures never escape Neve. "I just adore the scent of fresh linens," the blonde coos, diving into a sea of just-laundered comforters. Neve luxuriates on the mattress, savoring the feel of crisp sheets against her supple skin.

Soon, a new, stronger aroma reaches Neve's sensitive olfactory system. Broth brews in Neve's perfect snatch. The playful nymph's fingers dive knuckle-deep into her honeypot. Neve arches her back. Her curled toes clutch the bedspread as she creams on her hand.

"Perfect," Neve purrs, sampling a whiff of a jizz-slick finger. "Now my bed will smell like laundry *and* cum."

SIZE DOES MATTER!

EVERY DAY SINCE 1965 MEN IN 68 COUNTRIES ARE USING THE SUPRA-12 SYSTEMS!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

All professional medical vacuum pumps (including $500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

Coming...

next month in HUSTLER®

LABORS OF LUST

Industrious hotties work their fingers on the bone in the September 2000 HUSTLER. A pair of horndogs earn sloppy overtime hours, fucking and sucking well past quitting time. Watch classic lovely Hillary as she pushes her toned body to new peaks. When Hillary climbs rocks, hardened dudes everywhere will pull their love muscles. Break time is best when you spend it with a gorgeous Honey. Luxuriate with a daydreaming nymph as her perfect body lolls, her labes casually spread. Work may suck, but in the September 2000 HUSTLER, our cock-crazed model employees lick, slurp and swallow.

SPORTING CHUBBIES

Huge, billowing masses of flesh beckon to some mooks the way the taut bods of slender, 98-pound strippers tantalize more conventional male libidos. For the hard-core flab lover, the pallid rolls that crease an obscenely overweight chick offer infinite possibility: Rather than roll their dates in flour and look for the wet spot, lard humpers will fuck any sweat-lubed flap or fold of cellulite that wobbles before their willies. Why would anyone want to pork pigs? Find out in September's *Sex Play* when HUSTLER exposes the billowing underbelly of chubby chasing in "XXX-tra Large: The Wide, Wide World of Fat Sex."

FUCKING ACADEMICS

Not all hookers are ignorant, back-alley sluts. A new breed of college coeds is screwing for cash in upscale apartments, then running to the library to cram for midterms. What motivates a gorgeous young girl with a promising future to sell her nubile body? Greed, of course. At $250 an hour, these collegiate tramps aren't cheap, but how many whores can stimulate your mind and then suck your balls dry? Explore the growing trend of coed escorts when HUSTLER Correspondent Marylin Jameston turns in her essay *College Girl to Callgirl: A Glimpse Into a Double Life.*

WORKING HARD FOR THE HONEYS

Avoid the ball-busting effort that most difficult bitches require. Every one of HUSTLER's seductive girls is spread, eager and easy. Relax with a bottle of cooze when *Bits & Pieces* hawks Cunty Soak Whiskey. Kick back on the couch and let *Erotic Entertainment* deliver piping-hot fuck-film reviews. Hang out with the girls next door in *Beaver Hunt.* The American worker deserves a break. The September 2000 HUSTLER is a well-earned, boner-popping bonus.
